Dialogues Patricia Cori, 2010-05-18 The Starseed Dialogues is a clear and concise compilation of questions Patricia Cori has received from readers which she then turned over to the Speakers of the Sirian High Council for answers Cori is among many who predict that life on Earth will change dramatically after December 2012 as we ascend into a fourth dimension beyond spacetime What will happen to us as we approach the point of ascension Does ascending in the light body hurt This book answers these questions and many others about the direct link between our evolving DNA the inner world of Agharta the current earth changes and our shift in consciousness and the significance of visiting sacred sites such as Stonehenge to receive celestial messages As always the Speakers message rings clear do not fear what lies ahead for we are about to experience a glorious transformation of consciousness and although the prophets speak of doom and destruction the darkest hours are already upon us What awaits us is a brilliant new age of truth light and beauty The Cosmos of Soul Patricia

Cori, 2010-05-18 The first of the pioneering trilogy The Sirian Revelations offers cosmic wisdom to help humankind realize its highest potential The Cosmos of Soul offers a bracing tonic to the shadow of war disease and other grim phenomena of contemporary life The solution according to noted clairvoyant Patricia Cori is to awaken into the richer more meaningful and empowered existence that is our true fate Through her psychic contacts with more evolved beings Cori offers timely insights into the ethics of cloning the dangers of the Internet the truth about the AIDS virus genetic engineering and other information Of special interest are the author's predictions of what to expect after 2012 the closing of the Mayan Calendar a time of galactic events that may change life forever **Atlantis Rising** Patricia Cori, 2010-05-18 The second book in the

Sirian Revelations Trilogy explores the wisdom ancient Atlantis can offer contemporary seekers The lost continent of Atlantis has existed in the collective consciousness of humankind for eons contemplated as early as 355 BC by Plato and echoing in the modern mind In this controversial book author Patricia Cori provides compelling often startling insights into this lost culture and the lessons it holds for us as both a high civilization and a metaphor for our current world situation earth

changes growing extraterrestrial phenomena and government conspiracy theories Only by embracing and recognizing what Atlantis can teach us says Cori can we expect to heal and uplift our own increasingly threatened civilization *Where Pharaohs Dwell* Patricia Cori,2011-08-30 In this thought provoking book Patricia Cori takes time from her channeled work as the Scribe to the Speakers of the Sirian High Council to focus on her past life experiences in ancient Egypt The book begins dramatically with the traumatic recall of a past Egyptian life when Cori relives a horrifying death by suffocation from being buried alive This experience propels her on a journey of exploration into the question of human immortality leading her back to Egypt where she unravels the origins of the ancient Egyptians obsession with the resurrection of the soul Cori s discoveries reveal new perspectives on Egyptian mysteries new timelines as to the beginnings of the civilization and controversial ideas that link the earliest Egyptian cultures with even earlier civilizations such as that of Atlantis As she returns to sites of her former lives Cori begins to receive messages through which she relives the past life regression guiding her to discover secrets of the ancient Egyptians Finally she travels beyond the veil of illusions into the otherworld of possibilities that lies beyond physical existence This exciting book weaves strands of science history and metaphysics into a shimmering tapestry of personal discovery Beyond the Matrix Patricia Cori,2010-08-31 Those concerned with the current eco crisis most often look only to scientists and politicians for solutions In this important book Patricia Cori invites another overlooked group perhaps the most important one to join the discussion Beyond the Matrix collects some of the most provocative forward thinking interviews conducted on Cori s radio show of the same name bringing together leaders in various fields of alternative thinking to propose new and exciting perspectives on the future of humanity as we approach the potentially life changing 2012 Beyond the Matrix offers a portrait of a refreshingly optimistic future in a time when we are bombarded with an apocalypse scenario as the future of our civilization The book features no holds barred in depth interviews with such renowned thinkers as New York Times best selling author and theoretical physicist Michio Kaku whom many call the Einstein of our times respected UFO and ET investigator Stanton Friedman radical Egyptologist Stephen Mehler former astronaut and the sixth man on the moon Dr Edgar Mitchell crop circle expert Andy Thomas intuitive physicist MaAnna Stephensen Paradigm Research Group director Stephen Bassett founder of bluevoice org Hardy Jones and nine others The probing conversations cover a bracing range of subjects from string theory UFO and extraterrestrial life crop circles and ecology to healing Egyptian mysticism ascension and other significant topics that swirl in our minds as we face a new paradigm for human exploration where spirit and science finally merge With its blend of fascinating dialogue and higher ideals Beyond the Matrix offers both hope and reassurance in these challenging times **Before We Leave You** Patricia Cori,2011-04-26 What if whales and dolphins truly do have a superior intellect as many believe and can speak to the human race What would their message be In November 2008 gifted clairvoyant Patricia Cori was in Jordan teaching a workshop when a life changing event occurred A community of Cetaceans a choir of whales and dolphins as she describes it interrupted

her talk with a frantic plea for help Cori was suddenly witness to a devastating scene of suffering a communal grieving of scores of whales and dolphins frenzied lost and dying This was the first of several terrifying calls for help all of which were immediately followed by mass suicide events as these majestic creatures collectively chose to leave us and our planet These troubling incidents evolved into the stream of messages for humanity that Cori reveals in this extremely timely work The whales and dolphins present their deep understanding of our urgent global situation calling for the human race to restore balance to our ecosystems especially our dying oceans For the first time we read the communications of the Cetaceans and their story of devotion and celebration of life on the Great Planet Earth We are also given a glimpse of their role in the unfolding of galactic events throughout our solar system and the message is clear We must wake up and realize that our continued abuse of the environment is altering the course of Gaia's progression to the next dimension Without the whale and dolphin song without these musicians who hold the oceans in balance we risk our advancement through the ascension process for which our entire solar system is destined Before We Leave You is a roadmap to that higher future and a pathway to global transformation NOTE ELECTRONIC VERSION OF THIS TITLE DOES NOT INCLUDE THE CETACEAN MEDITATIONS CARDS INCLUDED IN THE REGULAR PRINTED VERSION No More Secrets, No More Lies Patricia Cori, 2010-05-18 Building on the historical perspective that characterized the previous book in the trilogy Atlantis Rising this final volume asks readers to remember that when they decided to come to this earth adventure blowing down the Establishment Walls would be a Herculean task But she adds Fall they would indeed Hastening this necessary next step in evolution to higher being says author Patricia Cori requires understanding the forces at work and how to challenge and conquer them No More Secrets No More Lies unmasks the lies that have been employed to disempower the human race while illuminating the tools necessary for those who intend to ascend with a revitalized Planet Earth Intended as a guide for overcoming the designs of the dark warriors and a blueprint for achieving the absolute freedom that is our true birthright as the super race of the realm this provocative book brilliantly integrates into a larger schema such issues as media manipulation racism dark forces crop circles our food and water and imminent extraterrestrial contacts with the cosmic unfolding of human awareness and the evolutionary activation of our complex DNA codes our blueprint to immortality

The New Sirian Revelations Patricia Cori, 2017-12-05 In July 1996 during an extraordinary out of body journey through the Milky Way and other galaxies Patricia Cori was reconnected and attuned to a group of interdimensional light beings that she and her many readers came to know through the first Sirian Revelations transmissions as The Sirian High Council During her remarkable mission as their Scribe she has shared the insights of six dimensional Sirian Light Emissaries through the books and teachings that have transformed readers over the past decades Now twenty years from the date of the first transmission Cori shares new revelations that affirm the veracity of past prophecies and transmit new visions for the human race as we ascend through the outer reaches of the fourth dimension into new levels of conscious awareness and parallel

realities as we prepare for our imminent emergence Called a real life Indiana Jones by fans and readers around the world Cori is one of the most well known and established authorities on multidimensional realities that challenge the status quo Her messages from distant realms empower readers to look at the dark side to understand it but to focus on the light for all humankind and the earth In this new book the Sirians once again hold us to our responsibility as guardians of this planet with sound direction and advice for how to get through these shifting sands of our transition Their discussions delve into many of the most crucial issues of our time including the merging of human mind and artificial intelligence exoplanetary migration from the earth and what that means to planets that will receive us coming clean about cloning the care and feeding of the human being and the slipping of time as we know it As the struggle between darkness and light is being fought at every level Cori reminds us to take comfort in the fact that the Sirian High Council foresaw and told us how this time of immense upheaval would be the last phase of our passage out of the darkness and into the light of far more illuminated states of being

Cosmic Connections Stephan Martin, 2010

Dialogues Kenneth James Michael MacLean, 2005-02 Dialogue was written after reading Seth the Conversations with God books Edgar Cayce Kryon and listening to Esther Hicks The very deepest questions concerning the origin of the universe time and consciousness were never answered to my satisfaction So I decided to ask them Astonishingly just like Neale Donald Walsch I too began to receive answers These answers came almost instantaneously in what I call a packet These packets were like information on a data network except that they were always accompanied by a feeling of profound certainty and well being I might have to spend 20 or 30 minutes deciphering the information in these packets and typing the out Then I d read them over and sometimes ai couldn t believe what I had written This book contains answers to questions like What is the origin of the universe What is consciousness What is the Higher Self What is Memory What is Time as well as answers to questions of politics sex the law of attraction and crop circles
