investigates how things are not quite what they seem Icarus explores how Abraaj found itself caught in the middle of a geopolitical war between the United States and China and when it would not back down economic hitmen tried to wipe it out

**Smart Startups** Catalina Daniels, James H. Sherman, 2023-10-10 Two startup company founders and angel investors go inside eighteen companies founded by Harvard Business School graduates uncovering surprising lessons for success and unexpected pitfalls essential for aspiring entrepreneurs Conventional wisdom holds that the most successful entrepreneurs in the world are born with a genius for starting companies experience one lightning bolt moment of inspiration after another follow a tried and true process to scale to a billion dollars and attract deep pocketed investors at every turn The real story is a bit more unconventional and much more interesting Would be entrepreneurs Catalina Daniels and James Sherman hungry to study and apply the best practices of startups to their own ventures studied the nuts and bolts of entrepreneurship as classmates at Harvard Business School Years later after successfully founding and exiting several companies and as angel investors in start ups they were surprised to realize that their experiences greatly differed from what they had been taught in school HBS provided a world class education in the basics But there was so much they learned the hard way working in the trenches that looking back they wished they d known before starting up Inspired Daniels and Sherman interviewed eighteen HBS graduates and entrepreneurs about their experiences founding companies such as Blue Apron Rent the Runway Gilt and AdoreMe probing them about what they discovered along the way and what they wish they had known beforehand The authors bring these insights to life by showcasing the founders in their own words and giving readers the experience of chatting with these remarkable entrepreneurs over a cup of coffee No other book has unearthed advice from so many HBS entrepreneurs The result is wisdom that challenges assumptions destroys preconceived notions crystalizes hunches and articulates perceptions with a depth possessed by few people in the world Starting a business is hard Seventy percent of startups today fail after their seed round and less than ten percent achieve success for founders and investors Faced with such a daunting threshold aspiring entrepreneurs need all the advice wisdom and inspiration they can get Smart Startups is written for them a timeless record of essential knowledge that can help them avoid failure and achieve success
