stoically I am in complete awe of this woman This is definitely a book filled with twists turns curves tunnels and unsolvable mazes in spots You need to read it This is my first book by Ailene Frances and I look forward to more of her works I don't read many historical romances much anymore but I can tell you that I'm really glad I decided to read this one The blurb grabbed my attention and the story stole my heart This was a real heartfelt story that has been written very well and so different from what I had expected This is a great read of the old west and just how primitive it was back then and how families of wealth wouldn't take a chance on their reputations even when things happen that are out of someone's control Elise and Nate's journey is one that must be read to fully understand the depth of their journey to love This is a true old fashion love story written to make the reader fall in love and she completely accomplished that *Vampire Iniquity* Eileen Sheehan,101 Fans of True Blood Vampire Diaries Interview with a Vampire enjoy the thrills action and romantic drama of Vampire Iniquity Book One of the Tugurlan Chronicles When Dan's friend asks for his help in rescuing his fiancé from evil kidnappers little does he know that he'd be sucked into a sinister world of vampires cannibalism and human trafficking Captured by the vampires Dan is crushed and beaten as he'd be forced to entertain them with a mock martial arts battle between him and an egotistical grandson of Dracula Once free he learns of his family's legacy of being vampire slayers After fetching his cousin to join them they reenter the den of iniquity to rid the world of the evil doers Will they succeed Better yet Will they all live to tell about it What Reviewers are saying about book one of the Tugurlan Chronicles A fine blend of fantasy and reality highly recommended By Midwest Book Review Usually those behind prostitution and human trafficking business are monsters but in this case it's literal Vampire Iniquity is a story of modern vampires The son of Count Dracula has for years been working on a way for his kind to build up resistance and immunity to the burning sun that so often ails them Their methods are far from morally right as they set up their own breeding operation to use human DNA for their methods But they happened to kidnap the wrong girl Vampire Iniquity is a fine blend of fantasy and reality highly recommended **A**
