Cultivate Your Relationships Dr. Prem Kumar Sharma, 2023-01-10. Relationships always matter a lot. They are essential to our existence. There is nothing worse or more painful than a broken relationship, as it gives rise to both psychological and physical traumas. On the other hand, positive, healthy, and meaningful relationships add to our wellbeing, bringing joy to life. Therefore, it is essential that we put our very best in a relationship so that we can get the best out of it. But it is easier said than done. Our relationships, within the family and out of it, are always being tested. We continue to blow hot and cold under the influence of our moods, which are governed by factors like ego, pride, love, hate, and desire. There are times when we gel with others, but there are times when we don't. It is when we don't that the problems arise. But what shapes our moods? Vastu Shastra, the age-old science of Indian architecture, has a simple answer: It is the building we reside in which influences us. If it is constructed as per the principles of Vastu, happiness, prosperity, and health will abound in the household, but if it is not, it can affect our relationships and us adversely. *Cultivate Your Relationships the Vastu Way* is the latest offering of Dr. Prem Kumar Sharma, the renowned Indian astrologer.
