The Story Of Daniel The Prophet:

The Story of Daniel the Prophet Stephen Nelson Haskell, 1993-09 The Book of Daniel is a prophecy given by God to Daniel 600 years before Christ that reaches clear down to the end of earth's history. It is especially applicable to our day pointing out the immediate future. In The Story of Daniel the Prophet a few of the interesting facts in regard to God's dealings with His people have been gathered into a simple narrative. This book is the result of much prayerful study. It is sent forth with an earnest prayer that in the hands of the parents it may be the means of making the study of the Bible in the family a blessing to young and old and that the teacher in the schoolroom may see precious rays of light flashing from its pages pointing both teacher and pupil to the Great Divine Teacher. We trust that while its simplicity will attract many who might not be inclined to read a deep argumentative treatise the most studious will find food for thought and thus become better acquainted with the character of our Heavenly Father. Those who wish to enter into more comprehensive study will find that the marginal references open up many veins of precious ore in the deep mines of God's Word. Throughout the entire book the special providence of God over those who are faithful to Him is brought out in clear contrast to the fate of those who ignore His guiding hand. The truth is the same whether in the history of nations or individuals. As The Story of Daniel the Prophet goes forth on its mission of love for the Great Master may it prove a blessing to all classes young and old rich and poor learned and unlearned.

Story of Daniel the Prophet Haskell N. Stephen, 2022 *The Story of Daniel* J Carl Laney, 2024-07-16 The book of Daniel contains some of the classic and most memorable stories of the Bible From an early age children are captivated by the accounts of Daniel in the lions den Daniel's three friends in the fiery furnace and the handwriting on the wall at Belshazzar's feast Even as adults we still find these stories engaging and brimming with relevant applications for the challenging days of the 21st century Yet the book of Daniel is more than an exciting story Daniel's prophecy is rich in practical theology The account of Nebuchadnezzar's pride and downfall emphasizes the fact that God alone is sovereign and that he is the hand in the glove behind the rise and fall of leaders and nations Daniel's visions reveal that God is sovereign over the future of the Gentile nations as well as the nation of Israel The book of Daniel also reveals a great deal about Israel's Messiah the son of man who takes his seat with the Ancient of Days and exercises divine authority Could it be significant that the epitaph son of man first appearing in Daniel 7:13 is used 83 times in the four Gospels referring to Jesus Some of the prophecies of Daniel have been fulfilled in the past such as the rise and rule of Antiochus Epiphanes who desecrated the Jerusalem temple in 167 BC The fulfillment of past prophecies gives readers confidence that Daniel wrote by divine inspiration and that his prophecies about the future will be literally fulfilled as well In *The Story of Daniel* we will explore the book of Daniel chapter by chapter looking for the abiding truths of God's Word and the practical application of these truths for today *The Story of Daniel the Prophet* Stephen N.
