The Surrendered Wife A Practical Guide To Finding Intimacy Pa:

Sex and Heaven John Portmann, 2003-03-05 And so the way we worship apparently matters less to God than the way we make love The diagnosis may not be limited to Roman Catholicism for today Jewish Protestant and Muslim communities also struggle to decide what the next world holds for their sexual dissidents Curiously debates over where gay people belong now feed into debates over how much equality women deserve in the West s three major faith traditions BOOK JACKET *The Surrendered Wife* Laura Doyle, 2001-02-28 A New York Times bestseller this controversial guide to improving your marriage has transformed thousands of relationships bringing women romance harmony and the intimacy they crave Like millions of women Laura Doyle wanted her marriage to be better But when she tried to get her husband to be more romantic helpful and ambitious he withdrew and she was lonely and exhausted from controlling everything Desperate to be in love with her man again she decided to stop telling him what to do and how to do it When Doyle surrendered control something magical happened The union she had always dreamed of appeared The man who had wooed her was back The underlying principle of *The Surrendered Wife* is simple The control women wield at work and with children must be left at the front door of any marriage Laura Doyle s model for matrimony shows women how they can both express their needs and have them met while also respecting their husband s choices When they do they revitalize intimacy Compassionate and practical *The Surrendered Wife* is a step by step guide that teaches women how to Give up unnecessary control and responsibility Resist the temptation to criticize belittle or dismiss their husbands Trust their husbands in every aspect of marriage from sexual to financial And more *The Surrendered Wife* will show you how to transform a lonely marriage into a passionate union **African American Families** Angela J. Hattery, Earl Smith, 2007-04-19 Bravo to the authors They have done an excellent job addressing the issues that are critical to community members policy makers and interventionists concerned with Black families in the context of our nation Michael C Lambert University of Missouri Colombia *African American Families* is a timely work The strength of this text lies in the depth of coverage clarity and the ability to combine secondary sources statistics and qualitative data to reveal the plight of African Americans in society Edward Opoku Dapaah Winston Salem State University *African American Families* is both engaging and challenging and is perhaps one of the most important works I have read in many years This book will most certainly move the discourse of the socio economic conditions of black families forward beyond the boundaries already set by other books in the market *African American Families* is an excellent book whose time has come and one that I would most definitely adopt Lateef O Badru University of Louisville *African American Families* provides a systematic sociological study of contemporary life for families of African descent living in the United States Analyzing both quantitative and qualitative data authors Angela J Hattery and Earl Smith identify the structural barriers that African Americans face in their attempts to raise their children and create loving healthy and raise the children of the next generation Key Features Uses the lens provided by the race class and gender paradigm Examples illustrate the ways in which

multiple systems of oppression interact with patterns of self defeating behavior to create barriers that deny many African Americans access to the American dream Addresses issues not fully or adequately addressed in previous books on Black families These issues include personal responsibility and disproportionately high rates of incarceration family violence and chronic illnesses like HIV AIDS Brings statistical data to life The authors weave personal stories based on interviews they ve conducted into the usual data from scholarly literature and from U S Census Bureau reports Provides several illustrations from Hurricane Katrina A contemporary analysis of a recent disaster demonstrates many of the issues presented in the book such as housing segregation and predatory lending practices Offers extensive data tables in the appendices Assembled in easy to read tables students are given access to the latest national agencies data from agencies including the U S Census Bureau Centers for Disease Control and Bureau of Justice Statistics Intended Audience This is an ideal textbook for advanced undergraduate and graduate courses such as African American Families Sociology of the Family Contemporary Families and Race and Ethnicity in the departments of Human Development and Family Studies Sociology African American Studies and Black Studies

Arab Women in Arab News Amal Al-Malki, David Kaufer, Suguru Ishizaki, Kira Dreher, 2012-03-15 This book addresses east west understandings of Arab women as portrayed through translated media The vast majority of media studies on Arab women are western based They study the effect of western stereotypes in western media depictions of Arab women There is a vast scholarly literature tracing western stereotypes of Arab women from medieval times to the present From 1800 the dominant western stereotype of Arab women depicts them as passive and oppressed Thirty years of social science media research in the west has shown that media images of Arab women reinforce this two hundred year old stereotype Much of this research has studied silent image bites of Arab women where women are pictured in veils and their own voices are replaced by western captions or voice overs This book sets out to answer this question To answer it we contracted with a global news translation service from the Middle East to collect and translate a sample of 22 months of new summaries from 103 Arab media sources belonging to 22 Arab countries Filtering the summaries that contained one or more female keywords e g woman mother aunt sister she yielded 2 061 summaries between September 2005 and June of 2007 Using the 2 061 summaries as input data a coding scheme was developed for active and passive female behaviors based on verb phrase analysis and conventions of English language news reporting

The Matter of Virtue Holly A. Crocker, 2019-09-27 If material bodies have inherent animating powers or virtues in the premodern sense then those bodies typically and most insistently associated in the premodern period with matter namely women cannot be inert and therefore incapable of ethical action Holly Crocker contends In The Matter of Virtue Crocker argues that one idea of what it means to be human a conception of humanity that includes vulnerability endurance and openness to others emerges when we consider virtue in relation to modes of ethical action available to premodern women While a misogynistic tradition of virtue ethics from antiquity to the early modern period largely cast a skeptical or dismissive eye on women Crocker seeks to explore what

happened when poets thought about the material body not as a tool of an empowered agent whose cultural supremacy was guaranteed by prevailing social structures but rather as something fragile and open subject but also connected to others After an introduction that analyzes Hamlet to establish a premodern tradition of material virtue Part I investigates how retellings of the demise of the title female character in Chaucer's *Troilus and Criseyde* Henryson's *Testament of Cresseid* and Shakespeare's *Troilus and Cressida* among other texts structure a poetic debate over the potential for women's ethical action in a world dominated by masculine violence Part II turns to narratives of female sanctity and feminine perfection including ones by Chaucer Bokenham and Capgrave to investigate grace beauty and intelligence as sources of women's ethical action In Part III Crocker examines a tension between women's virtues and household structures paying particular attention to English *Griselda* and shrew literatures including Shakespeare's *Taming of the Shrew* She concludes by looking at Chaucer's *Legend of Good Women* to consider alternative forms of virtuous behavior for women as well as men *Marriage and Violence* Frances Elizabeth Dolan, 2008 Marriage is often described as a melding of two people into one But what or who must be lost fragmented or buried in that process Dolan reveals the contradiction that lies at the very heart of modern marriage We have inherited from early modern England a model of marriage she contends so flawed that its logical consequence is conflict *Sweet Surrender* Dennis Hiebert, 2013-07-09 Every culture has a way of perceiving and practicing marriage Many contemporary Western Christians mistake what their culture prescribes regarding marriage with what the Bible portrays and thereby take as biblical what is merely cultural Uncritical conformity to cultural imperatives of marriage then becomes a Christian virtue and a sweet surrender Few recognize much less question this confusion even when its consequences are unhealthy In *Sweet Surrender* Dennis Hiebert challenges Christians to comprehend what is cultural in their view of marriage hold as optional what is not explicitly required by the Bible and live out their marriages within the transcendent grace of God Gaining greater awareness can free marriages from the control of culture for something more simply but deeply Christian Marriages benefit when they are released from cultural directives that are not biblical callings even if they choose to retain them as cultural practices This book is for Christians who are ready to rethink their assumptions about marriage **Book Review Digest**, 2001-05 *The Surrendered Wife* Laura Doyle, 2000-02-01 The author presents her concept of surrender in marriage explains what it is what it isn't and how to accomplish it **The Surrendered Wife** Laura Doyle, 1916-12-05 Compassionate and practical *The Surrendered Wife* is a step by step guide that teaches women how to Give up unnecessary control and responsibility in their marriages Express their needs while also respecting their husbands' choices Resist the temptation to criticize belittle or dismiss their husbands Trust their husbands in every aspect of marriage from sexual to financial and more [The Publishers Weekly](#), 2001 **The Surrendered Wife: A Practical Guide to Finding Intimacy, Passion and Peace With a Man** Laura Doyle, 1999 The underlying principle of the book is the control women wield at work and with their children must be left at the front door of any marriage **Noticias de la semana**, 2001
