A. Benson,2009-04-30 My motivation for this collaboration is trying to be the best parent I possibly can Meeting this end has been challenging because of the professions I have been evolved with the ages of my children and frankly my inability to consistently calmly get them to understand what I want to tell them Dont get me wrong the difficulty doesnt stem from their deficiencies rather mine I spent exactly 24 years and one month in the United States Air Force I have been retired for about six years and have been a teacher still teach college courses and a councilor at a university Currently I am in the aviation management profession Over the years I have been married twice and fathered three children My daughter Erica 27 born in Columbus Mississippi my oldest son Ulon Marcus 19 at Terrejon Air Base near Madrid Spain and

my youngest son Robert A Drew in Warner Robins Georgia The love I have for these three is unlike any other love I have for anyone else I can remember what I believed was a near death experience As far as I know I may have died all I remember is that I had a severe sinus problem and could not breathe While sleeping I stopped breathing I remember being surrounded and subdued by many I could not move somehow I knew that there was a higher power over me and that I was not dreaming After a bit I heard this calming but firm voice tell me to always be good to your children Once the voice spoke to me the people who were holding me down let me go and then I suddenly jumped up I still had major difficulty breathing at any rate that was what I considered my calling at the time Needless to say I havent always met with that mandate Through out my career during and after the military I have spent more time than I care to admit away from my family Without getting into specifics I have been relegated to minimal communication with them To compensate for my lack of presence I started sending them daily text messages I did this for the better part of a year Then one day I look at the work I did and decided to publish these quotes into a memoir that may serve to help others in the same predicament These quotes are encouraged by my life experiences and observation of the experiences and situations my children are currently involved in I have written hundreds however this book will only list 200 of them I hope you enjoy them as much as I was inspired to write them

Austin,2011-03-25 FATHERHOOD PHILOSOPHY FOR EVERYONE FATHERHOOD PHILOSOPHY FOR EVERYONE It has been said that being a father is what finally gives a man his meaning in life And a father s role has never been so involved or expectations so high There s a lot for dads to discover and as Socrates demonstrated learning really begins when we as fathers realize how little we know But no fear help is at hand as Fatherhood Philosophy for Everyone offers wisdom and practical advice drawn from the annals of philosophy exploring paternal concerns such as Fatherhood and the meaning of life The impact of change in men who become fathers How to raise well adjusted children and have a more fulfilling and enjoyable experience of fatherhood Do real fathers bake cookies Both thought provoking and practical Fatherhood Philosophy for Everyone provides a valuable starting and ending point for reflecting on this crucial role
