Integrative Solutions Gerald R. Weeks,Larry Hoff,Martha with Turner,Bonnie Bellamy Howard,2013-10-28 First published in 1996 This books presents a problem solving model of marriage and couples therapy called the Intersystem Model which assesses and treats couples problems from individual interactional and intergenerational perspectives The authors address problems of commitment intimacy anger and conflict and the complexities relating to the treatment of depression addictions and extramarital sexuality marital adjustments to aging and problems of inhibited sexual desire They suggest techniques therapists can use to resolve problems that may occur in couples therapy and ways couple can move toward a higher level of functioning and personal growth Mentor Like Jesus Regi Campbell,Richard Chancy,2009 More time spent with fewer people equals greater kingdom impact Desiring to see God widely embraced as more than a remote concept entrepreneur Regi Campbell began a deeply successful mentoring program years ago that has become one of his greatest joys Though it seemed radical at first spending more time with less people to further an all important message he soon realized this is the discipleship model Jesus set out during his ministry today two billion people worldwide embrace the wisdom He entrusted to a small band of disciples two thousand years ago Mentor Like Jesus is Campbell s revelation of what he now calls next generation mentoring an exponentially rewarding process that is resulting in lives changed marriages saved children dealt with in a more loving way Readers of any age and in any situation will clearly understand how the return on a meaningful investment in another person is truly immeasurable **Child Marriage Insights** Liam

Sharma,AI,2025-01-08 Child Marriage Insights delivers a comprehensive examination of one of today s most pressing human rights challenges the annual marriage of 12 million girls under age 18 worldwide This eye opening work explores the intricate connections between poverty gender inequality and educational barriers that perpetuate child marriage across diverse cultures and regions demonstrating that this crisis extends far beyond any single cultural or religious context The book methodically unpacks this complex issue through multiple lenses combining rigorous demographic data with powerful personal narratives from affected communities It traces the historical evolution of child marriage before examining contemporary factors that sustain the practice including economic instability and limited educational access Particularly noteworthy is its evidence based approach to dispelling common misconceptions presenting data that reveals the practice s prevalence across various societies and socioeconomic levels Through an interdisciplinary perspective spanning sociology economics and public health the book illustrates how child marriage impacts everything from maternal mortality rates to

economic productivity It concludes with practical solutions showcasing successful intervention programs and policy frameworks while acknowledging emerging challenges like climate change and global economic instability This approach makes it an invaluable resource for policymakers social workers and anyone interested in global development and human rights

Transforming Friendship John Wyatt, 2023-11-17 John Stott would never have called it mentoring but throughout his life he instinctively drew alongside younger men and women from across the world gently pastoring them within the context of a warm genuine and healthy Paul Timothy friendship Why aren't these intergenerational friendships more common in the Church today In *Transforming Friendship* John Wyatt acknowledges that recent serious scandals and suspicion prevalent in our culture have made people more cautious about these kinds of relationships The church therefore needs to lead the way in seeing friendship transformed into something safe life giving and Christlike Wyatt shares the transformative experience of being Stott's close friend Using examples from the Bible Christian history and the church today he makes the case for a model of Gospel crafted friendship with a particular emphasis on the need for more Paul Timothy type relationships like the one he enjoyed with Stott

Modeling

Mentoring Across Race/Ethnicity and Gender Caroline Sotello Viernes Turner, Juan Carlos González, 2023-07-03 While mentorship has been shown to be critical in helping graduate students persist and complete their studies and enter upon and succeed in their academic careers the underrepresentation of faculty of color and women in higher education greatly reduces the opportunities for graduate students from these selfsame groups to find mentors of their race ethnicity or gender Recognizing that mentoring across gender race and ethnicity inserts levels of complexity to this important process this book both fills a major gap in the literature and provides an in depth look at successful mentorships between senior white and under represented scholars and emerging women scholars and scholars of color Following a comprehensive review of the literature this book presents chapters written by scholars who share in depth descriptions of their cross gender and or cross race ethnicity mentoring relationships Each article is co authored by mentors who are established senior scholars and their former protégés with whom they have continuing collegial relationships Their descriptions provide rich insights into the importance of these relationships and for developing the academic pipeline for women scholars and scholars of color Drawing on a comparative analysis of the literature and of the narrative chapters the editors conclude by identifying the key characteristics and pathways for developing successful mentoring relationships across race ethnicity or gender and by offering recommendations for institutional policy and individual mentoring practice For administrators and faculty concerned about diversity in graduate programs and academic departments they offer clear models of how to nurture the productive scholars and teachers needed for tomorrow's demographic of students for under represented students they offer compelling narratives about the rewards and challenges of good mentorship to inform their expectations and the relationships they will develop as protégés

The Art of Mentoring Darlene Zschech, 2011-08-01 Darlene Zschech is possibly the most amazing mentor I know Louie Giglio Darlene Zschech one of the world's most respected worship leaders writes honestly and realistically of how both current leaders and those coming along after them can overcome hurdles and by the grace of God work together for the good of the church In this critical message she urgently challenges the church to raise up a new generation of leaders whose hearts are centered on God Her leadership at Hillsong Church combined with her international work has created a passion for mentoring those who share her heart for God Zschech speaks with an artist's voice that will reach people who might bypass the more business oriented books

Women Mentoring Women Vickie Kraft, Gwynne Johnson, 2003-01-01 The 21st Century has brought a new urgency for Christian women to search for meaningful relationships where they can live out their faith This is due in part to our increasingly secular lifestyle and the radical changes in marriage and family life that have isolated and discouraged many women Women Mentoring Women offers the solution to a chronic weakness in churches the lack of involvement of wives sisters mothers and daughters in vital women's ministries

Raising the Next Generation Robert M. Solomon, 2022-03-22 The stress of parenting is real Many modern parents rely on parenting books or websites produced by experts These focus on the practical challenges of parenting This book takes a different

perspective a spiritual one by inviting parents and potential parents to study God's Word and draw out valuable lessons for parenting. There are six sections each dealing with some key aspect of parenting from a biblical perspective: How we are parented by God to be good parents; Parenting reflections from the Old Testament; Parenting lessons from the New Testament; Contemporary challenges parents face and how to handle them; Insights from family counselling; Drawing on God's grace and resources for godly parenting. Dealt with in this book are parental anxieties and struggles born from the challenges of the hurried, complex and confusing world we live in; our need for intimacy with God; the encouragement of biblical wisdom and the hope that comes from the God who loves us as our heavenly Father. Be the Best Mom You Can Be Marina

Slayton, 2015-04-14 Marina Slayton and her husband Gregory, best-selling author of *Be a Better Dad Today*, reveal the secrets to finding true joy in the sacred role of motherhood. Using story, humor, empathy, common sense and straight talk grounded in reality and personal experience, *Be the Best Mom You Can Be* helps readers from the best and most influential mothers in history. The book centers on a mother's desire for wisdom and her commitment to the wellbeing of her husband and children and provides six time-tested principles: the Six Secrets for being a truly great mom. In the tradition of Stormie Omartian's and Barbara Rainey's books, the Slaytons offer value-based inspiration, a warm and personal tone and insightful secrets to both educate and equip moms to be the best mothers they can be. This book will help any mom who wants to grow in her sacred role. Women who need encouragement or advice or who feel ill-equipped to be mothers will find the straight-forward evangelical perspective and practical advice life-changing. **My Next Phase** Eric Sundstrom, Randy Burnham, Michael

Burnham, 2007-09-26 Too many people flunk retirement even after a lifetime of hard work. Why? Because they only plan on their financial needs, not their emotional ones, as they move into the next phase of life. The key to a successful retirement lies in your personality, NOT in your bank account. *My Next Phase* featured in *The New York Times*, *BusinessWeek* and *The Washington Post* offers a revolutionary step-by-step process to figure out your personal Retirement Style and creates a unique retirement plan based on who you are. Take the *My Next Phase* quizzes and find out: WHAT'S YOUR SOCIAL STYLE? If you're outgoing, you'll need companionship through your days, whether you leave your job or keep working. If you're contemplative, you'll need solitude as well as social connection to find the fulfillment in the years ahead. WHAT'S YOUR STRESS STYLE? If you're resilient, you'll push yourself to find challenge and get bored without it. If you're responsive, you'll need to pace yourself. Either way, you'll need a passion that gives you a reason to get out of bed each day. WHAT'S YOUR PLANNING STYLE? If you're structured, you'll prefer to schedule your time. If you're flexible, you'll want a freer, less scheduled life. And many more questions and answers to ensure a happy, fulfilling next phase of life. Being the Body Charles

Colson, Ellen Vaughn, 2004-07-12 An updated and expanded edition of the landmark book *The Body*, this book calls for unity in the Christian Church during tumultuous times. Scriptural searching, haunting, humbling, challenging, energizing, down to earth, all this and more is true of *Being the Body*, a radical update of Colson's blockbuster, now even more powerful than it was.

before Here is visionary dynamite Read it thoughtfully and it will mark your life J I Packer professor and bestselling author of Knowing God Many believe Charles Colson and Ellen Vaughn s The Body to be a watershed book of the twentieth century It impacted the Church worldwide encouraging Christians of diverse backgrounds to see themselves as part of the universal body of Christ It challenged many to a new sense of unity realizing that we blunt the Gospel message every time we divide over petty issues and personal turf Now these acclaimed authors have come together to revisit this crucial subject The book s classic truths have not changed But the world we live in has Christians in America have had their complacency shattered and their beliefs challenged Around the globe the clash of worldviews has never been more strident Before all of us daily are the realities of life and death terror and hope light and darkness brokenness and healing We cannot withdraw to the comfort of our sanctuaries we must engage For if ever there were a time to be the Body of Christ in the world it is now No one can match Colson s unique blend of storytelling contemporary insight and prophetic vision Phillip Yancey bestselling author of Soul Survivor It will certainly be as influential and provocative as its predecessor Publishers Weekly
