

The background of the cover is a dark space scene. In the upper left, a spacecraft is shown from a side-on perspective, moving towards the right. It has a dark, angular body with some internal lights visible. A long, thin, light-colored line extends from the front of the spacecraft. In the background, a vibrant green aurora or nebula stretches across the horizon, with some darker, reddish-brown clouds above it. The overall lighting is dim, with the primary light sources being the spacecraft's lights and the distant aurora.
