The New Stations of the Cross Megan McKenna, 2007-12-18 One of today's most popular and respected Catholic writers presents the first guide to the new Stations of the Cross reflecting the revisions made by Pope John Paul II A traditional devotion for Catholics for more than four hundred years the Stations of the Cross commemorates the route Jesus traveled from being sentenced to death crucified and then buried in a borrowed tomb on the outskirts of Jerusalem In the past the devotion included a number of stations based on popular stories of piety and devotion but not mentioned in the Gospels Over the past eight years however Pope John Paul II has made substantial changes to the devotion in his Good Friday celebrations of the stations removing those not found in the Bible and replacing them with stations that more accurately follow scriptural accounts of Christ's passion The revised Stations of the Cross focuses on the condemned Jesus and on the community walking the way with him to the cross Unrelieved by stories like Veronica's wiping blood off the face of Jesus and his meeting with his mother this is a story of an execution The new stations deal directly with the pain suffering betrayal and injustice to which Jesus was subjected In explaining his reasons for revising the stations the Pope has said that the

alterations are intended to serve as a model for other devotions and to encourage the return to the Scriptures as the source of and inspiration for contemporary worship In this helpful authoritative guide Megan McKenna presents the fourteen new stations with the scriptural passages that Pope John Paul II uses on Good Friday She also provides a basic introduction to the practices and reflections on the importance of the devotion for present day Catholics and Episcopalians The Spiritual Journey of the Stations of the Cross D.
