The Struggle for Virtue Archbishop Averky (Taushev), 2014-09-01 Archbishop Averky addresses head on the question What is asceticism He counters the many false understandings that exist and shows that the practice of authentic asceticism is integral to the spiritual life and the path to blessed communion with God

Selected Essays of Protopresbyter

Michael Pomazansky Michael Pomazansky, 2021-01-25 This is a collection of essays by one of the giants of the twentieth century Russian emigration He died in Jordanville New York in 1988 only a few days before his one hundredth birthday His characteristic spirit of deep humility infuses these writings Subjects addressed in this collection include biblical criticism Catholicity and Cooperation in the Church Liturgical Books serving in the Church the liturgical theology of Fr Alexander Schmemmann the Glorification of Saints Children in the Church and much more

Church in the Land of Desire Edward Rommen, 2021-03-18 According to William Leach religious communities that have come to North America have not been able to withstand the damaging influence of its consumer oriented society which has subverted ecclesial customs values and practices Rather than resisting most of these groups have sought to integrate Christianity into the new culture By doing so they run the risk of marginalizing the church and fundamentally altering its teachings and practice Of course the real danger does not reside in the occasional use of isolated elements of our culture the unreflected application of any technology available the replacement of traditional ecclesial practices with the techniques of the business world or even the substitution of ecclesial foundations of authority Rather danger lies in a set of fundamental principles that together define a basic orientation which is naturally and almost mindlessly attracted to these secular devices sees no harm in them justifies and amplifies their effects and effectively supplants the mind of Christ which is supposed to govern the church This study analyzes and documents the effects of that mindset and calls us back to the biblical and traditional alternatives that alone can bring healing and recovery to the church

Philosophies of Hospitality and Tourism Prokopis A. Christou, 2020-11-05 This book introduces readers to philosophies of hospitality and tourism It provides insights into classic philosophical concepts and explains how these can inform the actions of tourism stakeholders practitioners hosts and tourists The volume explores four main areas the nexus of philosophy with tourism and hospitality the philosophy of giving in hospitality and tourism the receiving end such as emotional tourist experiences happiness and overtourism including the notion of gluttony and philosophical issues related to tourism development such as the spirit of places and thanatourism The discussion of philanthropy within the context of tourism is a strength of the book and will be important in a post Covid 19 tourism industry The book will be of interest to students researchers and practitioners in tourism and hospitality

Commentary on the Holy Scriptures of the New Testament Averky Taushev, 2021-01-04 Archbishop Averky approaches the New Testament first and foremost not as a literary work of antiquity but as the revelation of Jesus Christ as God in the flesh Writing in the tradition of biblical exegetes he provides a commentary that is firmly grounded in the teaching

of the Church manifested in its liturgical hymnography and the works of the Holy Fathers Analyzing all four Gospels chronologically and simultaneously he allows readers to see the life of Christ as an unfolding narrative in accessible direct language HIs commentary on the Book of Acts deals with questions of authorship and time of composition He elucidates the moral and pastoral aspects of the Pauline and Universal Epistles and the Book of Revelation The final commentary on the Apocalypse in which Archbishop Averky relies heavily on the ancient commentary of St Andrew of Ceasaria is provided in the popular translation by Hieromonk Seraphim Rose together with the Scriptural text itself Archbishop Averky s commentaries on the New Testament have become standard textbooks in Holy Trinity Orthodox Seminary and have been published in Russia to widespread acclaim This present collection makes the complete commentary available in one collection for the first time It is an indispensable addition to the library of every student of Holy Scripture *1 John, Revised and Extended L.*

Daniel Cantey Jr.,2021-07-28 In *1 John On Docetism and Resurrection* 2016 the author elucidated the fundamental principles driving the modern order The latter works according to a novel form of salvation an ontology unto dissolution that the author recognizes as a new manifestation of the ancient heresy of docetism The modern heresy turns on faith in the Christ Idol an idolatry hidden for centuries beneath the cover of Western Christianity Its theological solution requires renewed engagement with the Trinitarian love understanding that love as a function of mutual life giving between the divine persons The revised and extended version of *1 John* assumes the undoing of Western society under the docetic ethos seeking theological foundations for the society that might follow It details the meaning of various aspects of docetic modern society through a Johannine lens explaining these aspects as forms of oppression The author counters these through the Eastern Orthodox focus on the inner life over the external one the spiritual world over the physical and the proper appreciation of hierarchy as opposed to docetic equality **The Pursuit of Godliness** Irenei (Steenberg),2024-12-03 In this concise volume Bishop Irenei explores the teaching of Christ as proclaimed by the Apostles and kept by the Church in the genre of centuries one hundred short paragraphs that can be read individually but are connected by a common theme the pursuit of a Godly life In a practical comprehensible and concise manner he writes about love knowledge prayer worship the kingdom of God the place of the Church and the ascent of humanity toward God giving the reader a message of hope and salvation His message is clear The free gift of Godliness is obtainable In Christ it is possible for every man and woman to live a life greater than their own

I Am Determined William E. Thrasher Jr.,2021-01-12 As we face this season of challenge in 2020 we must embrace Paul s *I Am Determined* attitude and just like the blade of grass that pushed through the concrete we must be determined to push through this pandemic Just like the tree that grows up through the giant rock we too must go through the giant rocks of racial and social injustice Like the cactus that stands tall in the dry dessert we must be determined to stand tall as we go through the dry desserts of trial and sacrifice When we are troubled on every side just say *I Am Determined* and you won t be distress perplexed declare *I Am Determined* and you won t be in despair persecuted shout it out *I Am Determined* And you
