Tao Te Ching Lao Tzu, 2017-11-01

Tao Te Ching Lao Tzu, 1989-08-28 The most accessible and authoritative modern English translation of this esoteric but infinitely practical bestselling book. No one has done better in conveying Lao Tzu's simple and laconic style of writing so as to produce an English version almost as suggestive of the many meanings intended. Alan Watts. For nearly two generations, Gia-fu Feng and Jane English's bestselling translation of the *Tao Te Ching* has been the standard for those seeking access to the wisdom of Taoist thought. Now Jane English and her long-time editor Toinette Lippe have revised and refreshed the translation so that it more faithfully reflects the Classical Chinese in which it was first written, taking into account changes in our own language and eliminating any lingering infelicities. They have retained the simple clarity of the original rendering of a sometimes seemingly obtuse spiritual text, a clarity that has made this version a classic in itself, selling over a million copies. Written most probably in the sixth century B.C. by Lao Tzu, this esoteric but infinitely practical book has been translated into English more frequently than any other work except the Bible. Gia-fu Feng and Jane English's superb translation offers the essence of each word and makes Lao Tzu's teaching immediate and alive. This edition includes an introduction and notes by the well-known writer and scholar of philosophy and comparative religion, Jacob Needleman.

Tao Te Ching Lao Tzu, 2007-01-02 No one has done better in conveying Lao Tzu's simple and laconic style of writing so as to produce an English version almost as suggestive of the many meanings intended. This is a most useful as well as beautiful volume, and what it has to say is exactly what the world in its present state needs to hear. Alan Watts. RELIGION EASTERN STUDIES. This translation of the Chinese classic, which was first published twenty-five years ago, has sold more copies than any of the others. It offers the essence of each word, makes Lao Tzu's teaching immediate and alive. The philosophy of Lao Tzu is simple: Accept what is in front of you without wanting the situation to be other than it is. Study the natural order of things and work with it rather than against it, for to try to change what is only sets up resistance. Nature provides for all without discrimination; therefore, let us present the same face to everyone and treat all men as equals, however they may behave. If we watch carefully, we will see that work proceeds more quickly and easily if we stop looking for results. In the clarity of a still and open mind, truth will be reflected. We will come to appreciate the original meaning of the word, understand which means to stand under. We serve whatever or whoever stands before us without any thought for ourselves. *Te*, which may be translated as virtue or strength, lies always in *Tao* or natural law. In other words: Simply be.
