Values Based Estate Planning A Step By Step Approach To Wealth Transfer For Professional Advisors:

Values-Based Estate Planning Scott C. Fithian, 2000-04-13 Estate planning has more procrastination indecision and inertia associated with it than any other area of planning Affluent baby boomers in particular as the beneficiaries of the largest intergenerational transfer of wealth in history have a daunting set of financial concerns with which to contend Here at last is a step by step approach to estate planning that equips planners and financial advisors to help clients tackle this important process once and for all Most clients understandably find planning concepts and strategies confusing but most also have a fairly sound understanding of who and what is most important to them These are the priorities from which to build the foundation of a successful estate plan The seven principles explored in this book use personal values as a basis to form The Legacy Planning System With this approach advisors can Help clients discover and solidify their deepest values convictions and objectives relative to their money Help clients express those values and objectives in a clearly written Family Financial Philosophy mission statement Serve as the team leader in advising clients and clients other advisors on how to use the mission statement to direct the planning process Clarifying your clients priorities and personal goals will enable you as a trusted advisor to simplify the planning process for clients ensure their lifetime financial independence and help them control their ultimate family and social capital legacies Confronting issues of family dynamics taxes and financial situations not to mention accepting one s own mortality is difficult for many people In addition since estate planning often requires a shift in ownership of assets clients feel an unsettling loss of privacy and control over their financial resources Help your clients to overcome these obstacles and achieve their highest financial and philanthropic aspirations They ll thank you for generations to come Praise for Values Based Estate Planning Scott Fithian s book provides planning professionals with new insights into the estate planning process Most importantly he stresses the individual and family benefits of philanthropy through the concept of social capital which should be a key element to the planner s inventory of client questions Charles W Collier Senior Philanthropic Advisor Harvard University This exceptional book empowers planners with a well organized roadmap to lead wealthy clients to implementation of an estate plan expressing the clients own values Scott Fithian s Legacy Planning System focuses the advisor on the critical importance to the estate planning process of helping clients identify and articulate their values and objectives This useful volume makes those ideas available to a much broader audience while broadening the subject with illustrations of effective employment of the methodology he has developed David Wheeler Newman JD LLM Mitchell Silberberg Jessica M Bibliowicz President and CEO National Financial Partners Scott s wealth optimization system is truly revolutionary For the first time affluent clients and their advisors can rely on a fully integrated system that spans all phases of wealth accumulation management and transfer over time An outstanding reference Robert Keys The Private Client Group
