VAMPIRE QUEEN IS BOOK 2 OF THE EXCITING SIZZLING AND THRILLING VAMPIRE WITCH TRILOGY

WHAT READERS ARE SAYING I waited anxiously for this continuation and it was amazing I loved Casey and how strong she was This book had so much more going on in it than the first i think A lot of secrets came to light that shocked me There was also a lot of mystery and deceit I couldn t put this book down once I started it I don t want to give away any spoilers so i will give a brief overview as best i can This book picks up right from where vampire witch left off In book two of this series we catch back up with Casey We get a quick update as to what has happened since the end of the last book or maybe it s a refresher as to what happened at the end of the first book I think I really like Gwendoline Geo and Luthias grandmother a lot She s a card When an old woman tells you that you do not have to pick

between two men that's just funny. Very progressive for an old woman. I am already hoping there is a third book to this series and I will say no more. You must read the first book then this one for it all to make sense. Pretty much picking up where Vampire Witch left off, this wonderful continuation draws you right in. If you loved the first book in the series, be prepared for another amazing read. I actually enjoyed this book more than the first. This book is amazing. Once you start reading, you won't be able to put it down and you won't want to put it down. There are so many twists and turns when you think you have things figured out, everything changes. Luthias is more prominent in this book and it was great getting to know him better. There were times I wanted to slap Casey and just ask her why. Lol. Vampire Land is the main focal point and there are a few new characters there that are great and well developed. All the characters matured so much throughout the book and it was definitely an emotional roller coaster the entire story, whether it was because of Casey, Geo, and Luthias or her just trying to figure out how to become a vampire queen. Casey really goes through some major struggles in this story and I really liked how she grew as a person the entire story.

The Vampire's Favorite V.R. Cumming, 2019-09-09 Jason Belmont used to be a typical athlete. Months later, Jason returns to his family's home in Crookston, Minnesota, to heal after a crippling blow bound him to a wheelchair. There, he and Eric are captured by the vicious vampire Oriana, whose plans for reuniting her former mistress territory have more of an impact on Jason's life than even he knows. Plans that could destroy his family if Jason can't find a way to regain his strength and crush Oriana once and for all.
