Katherine Mansfield: Complete Works
 Katherine Mansfield, 2022-05-17
 Katherine Mansfield Complete Works is an expansive anthology that showcases the literary brilliance of one of the foremost modernist writers of the early 20th century
 This collection features Mansfield's exquisite short stories poems and essays revealing her keen observations of the human condition
 Renowned for her innovative narrative techniques such as stream of consciousness and impressionistic prose
 Mansfield's work reflects the complexities of identity and society during a tumultuous period in history drawing readers into the subtleties of everyday life and emotional depth
 The contextual backdrop of the post World War I era further enriches the themes of alienation and self discovery permeating her stories
 Katherine Mansfield a New Zealand born writer was significantly influenced by her expatriate experiences in Europe where she became part of the Bloomsbury Group and formed close relationships with key literary figures such as Virginia Woolf and D H Lawrence
 Her ability to infuse her narratives with psychological insight and her exploration of gender and class dynamics stem from her rich life experiences personal struggles and her pursuit of artistic authenticity in an increasingly modern world
 For readers seeking profound reflections on life through an exceptional lens Katherine Mansfield Complete Works is indispensable
 This collection not only illuminates Mansfield's legacy as a pivotal modernist author but also invites contemporary readers to explore the timeless complexities of intimacy loss and existential contemplation making it a vital addition to any literary library

Van Gogh among the Philosophers
 David P. Nichols, 2017-12-06
 This volume brings Continental philosophical interpretations of Van Gogh into dialogue with one another to explore how for Van Gogh art places human beings in their world and yet in other ways displaces them not allowing them to belong to that world

 This collection of 186 full color and black and white paintings and drawings features all of the Post Impressionist master's best loved works from SunflowerstoStarry Night
 It also includes a bonus selection of self portraits and lesser known but important drawings that will enchant professional and amateur graphic artists alike

Van Gogh's Ghost Paintings
 Cliff Edwards, 2015-06-03
 One of the most significant and revealing paintings by the world famous artist Vincent van Gogh was never seen by anyone but the artist himself
 The painting was so important to the artist that he painted it twice

He was so conflicted about the painting that he destroyed it twice Cliff Edwards argues these two unique paintings Vincent created and destroyed are at least as important to understanding the artist and his work as are the two thousand or more paintings and drawings that do exist In Van Gogh's Ghost Paintings Edwards invites his readers on a journey that begins in a Zen master's room in Japan and ends at a favorite site of the artist a ruined monastery and its garden in the south of France Recovering the intent of van Gogh and the nature of his ghost paintings becomes a zen koan waiting to be solved The solution offers access to the deepest levels of the artist's life as painter and spiritual pilgrim The journey leads to the artist's choice of the biblical theme of the Garden of Gethsemane The answer to the mystery of the lost paintings illuminates the relationship of joy and suffering discovery and creation religion and the arts in van Gogh's life and work In this fascinating book Edwards solves a long ignored mystery that provides a critical key to the relation of van Gogh's religion and art

Celestial Sleuth

Donald W. Olson, 2013-10-02 For a general audience interested in solving mysteries in art history and literature using the methods of science forensic astronomy is a thrilling new field of exploration Astronomical calculations are the basis of the studies which have the advantage of bringing to readers both evocative images and a better understanding of the skies Weather facts volcano studies topography tides historical letters and diaries famous paintings military records and the friendly assistance of experts in related fields add variety depth and interest to the work The chosen topics are selected for their wide public recognition and intrigue involving artists such as Vincent van Gogh Claude Monet Edvard Munch and Ansel Adams historical events such as the Battle of Marathon the death of Julius Caesar the American Revolution and World War II and literary authors such as Chaucer Shakespeare Joyce and Mary Shelley This book sets out to answer these mysteries indicated with the means and expertise of astronomy opening the door to a richer experience of human culture and its relationship with nature Each subject is carefully analyzed As an example using the study of sky paintings by Vincent van Gogh the analytical method would include computer calculations of historical skies above France in the 19th century finding and quoting the clues found in translations of original letters by Van Gogh making site visits to France to determine the precise locations when Van Gogh set up his easel and what celestial objects are depicted For each historical event influenced by astronomy there would be a different kind of mystery to be solved As an example How can the phase of the Moon and time of moonrise help to explain a turning point of the American Civil War the fatal wounding of Stonewall Jackson at Chancellorsville in 1863 For each literary reference to astronomy it was determined which celestial objects were being described and making an argument that the author is describing an actual event For example what was the date of the moonlit scene when Mary Shelley first had the idea for her novel Frankenstein These and more fun riddles will enchant and delight the fan of art and astronomy
