The Qualified Self Lee Humphreys, 2018-04-13 How sharing the mundane details of daily life did not start with Facebook Twitter and YouTube but with pocket diaries photo albums and baby books Social critiques argue that social media have made us narcissistic that Facebook Twitter Instagram and YouTube are all vehicles for self-promotion In *The Qualified Self* Lee Humphreys offers a different view She shows that sharing the mundane details of our lives what we ate for lunch where we went on vacation who dropped in for a visit didn't begin with mobile devices and social media People have used media to catalog and share their lives for several centuries Pocket diaries photo albums and baby books are the predigital precursors of today's digital and mobile platforms for posting text and images The ability to take selfies has not turned us into needy narcissists it's part of a longer story about how people account for everyday life Humphreys refers to diaries in which eighteenth century daily life is documented with the brevity and precision of a tweet and cites a nineteenth century travel diary in which a young woman complains that her breakfast didn't agree with her Diaries Humphreys explains were often written to be shared with family and friends Pocket diaries were as mobile as smartphones allowing the diarist to record life in real time Humphreys calls this chronicling in both digital and nondigital forms media accounting The sense of self that emerges from media accounting is not the purely statistics driven quantified self but the more well rounded qualified self We come to understand ourselves in a new way through the representations of ourselves that we create to be consumed

Long Ago and Far Away Robert Fyne, 2008-05-20 The Second World War was the greatest social political and economic upheaval of the 20th century As a popular Hollywood subject WWII still enthalls viewers six decades after Allied commanders affixed their signatures on the victory document in Tokyo Bay Recreating flag waving charges frontal beachhead assaults commando raids and even home front heroics these motion pictures for better or worse provide the

primary learning experience for postwar generations After scrutinizing hundreds of screenplays Robert Fyne has written an in depth study of World War II films analyzing the different storylines points of view and contemporary events found in each In Long Ago and Far Away Hollywood and the Second World War Fyne examines WWII films from 1941 to the present explaining how the content and mood in these productions paralleled national mores and politics Some titles are laudatory even chauvinistic while others are frivolous or sophomoric Biographical screenplays both glorify and damn various leaders Some films bombard viewers with horrific experiences while others such as goofy science fiction titles with their wraiths and flying saucers seem inappropriate Love stories are examined as well as films revealing Japanese prisoner of war deprivations and Nazi concentration camp atrocities From Above and Beyond to Zone Troopers and The Best Years of Our Lives to Flags of Our Fathers this is a compelling look at how filmmakers have dramatized this pivotal period in history For historians movie watchers or social commentators Long Ago and Far Away complete with an elaborate filmography offers new information about Hollywood s diverse interpretations of the Good War

Ken Garner,2010-12-15 This is a story of teenage dreams which as any Peel fan knows are hard to beat Between 1967 and 2004 John Peel picked over 2000 bands to come and record over 4000 sessions to be played on his radio show Many were young and had never been in a recording studio before for some it was the start of an illustrious career for others it was the only recognition their musical talent ever got For over 35 years the cream of British musical talent made the journey to the BBC s studio in Maida Vale from Pink Floyd to Pulp the Small Faces to the Smiths And because John Peel was so respected his sessions took on a legendary status they were a rite of passage that every new band wanted to go through Unfettered by commercial pressure the Peel Sessions were a unique British institution an archive of music that reflects one man s passion for finding and encouraging new music Includes a full sessionography listing songs band members and broadcast dates Jarvis Cocker writing about his first Peel Session aged 18 Wayne the drummer was 15 We travelled down to Maida Vale in a van driven by a very strange man we d contacted via a card pinned to the Virgin record shop noticeboard We d had to borrow lots of equipment from a band called The Naughtiest Girl Was a Monitor cause we didn t have enough stuff of our own The

session was to be produced by Dale Griffin who used to be the drummer in Mott the Hoople I seem to remember that he was wearing cowboy boots I think the crisis point came when Wayne was attempting to get a home made synth drum to work that a friend of his at school had made out of a rubber burglar alarm mat and an old electronic calculator Dale Griffin looked at this 15 year old kid crouching on the floor bashing what looked like a doormat with some wires coming out of it and just put his head in his hands But to his credit the session did get finished and after it everything else started for me Billboard ,2001-12-01 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Billboard* ,1995-05-13 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,2006-12-16 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,2006-11-04 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Film Review* ,2005 **Billboard** ,2001-11-24 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
