Zero Hour And Other Stories The Ec Comics Library:

Zero Hour Jack Kamen, Al Feldstein, 2014-02-15 With his wholesome approach Jack Kamen stood out amongst the grandguignol grunge gritty realism or futuristic dazzle of his fellow EC cartoonists but his brilliant editor writer Al Feldstein found a way to exploit the surface innocence of his style with seemingly nice stories of romance gone horribly wrong or future fantasies with an unexpectedly brutal twist And nowhere did Kamen's clean but lush graphics work better than in the stories he created for EC's science fiction comics The title story Zero Hour one of three in this book adapted from works by Ray Bradbury set in a Spielbergian suburban idyll is particularly well served by Kamen's surface innocence A Lesson in Anatomy works similar magic with its Mayberryesque setting veering into alien invasion terror If there was any devil in Kamen it came out in his loving depiction of the female face and form and you could see why his hapless heroes were often fatally entranced with them as in Punishment Without Crime Bradbury again He Who Waits a scientist finds an extreme way of rejoining his eight inch tall innamorata and Miscalculation the lucky recipient of a package from the future literally brews his own harem even the supercomputer in Only Human proves vulnerable to a beautiful woman's charms Zero Hour And Other Stories contains 22 classic EC yarns plus the usual all new biographical historical and critical essays that have made Fantagraphics EC Library series the ultimate version of these classics

Three for the Money Jack Kamen, Al Feldstein, 2021-07-13 This volume of the New York Times bestselling series of superbly restored classic crime and horror EC Comics re-presents the work of Jack Kamen Al Feldstein and Ray Bradbury Grand Master crime novelist Max Allan Collins Road to Perdition introduces these tales which include the infamous The Orphan one of the stories that got EC Comics into hot water during the U S Senate's investigation into comic books The October Game is adapted from the chilling classic short story by Ray Bradbury A gruesome look at a malevolent Halloween party game perpetrated by a man who believes the child of his unfaithful wife is not his In Frozen Assets a woman and her lover seal her still living husband in a chest freezer Standing Room Only a brother murders his twin sister and her husband and disguises himself as her so he can inherit their estate But then the estate lawyer makes a play for the widow Three for the Money A woman finds her husband dead with a knife in his back and a bullet in his head The police arrest two suspects but to get a conviction they must determine who acted first Who actually committed the murder and who stabbed or shot a man who was already dead

A Slight Case of Murder George Evans, Al Feldstein, 2021-01-12 This volume collects all of George Evans EC horror It features Blind Alleys one of the most chilling and famous EC stories adapted for the 1972 movie Tales From the Crypt A man who abused residents of a home for the blind winds up in an impossibly narrow corridor lined with razor blades as a ravenous dog closes in In Gorilla My Dreams an innocent man's brain is transplanted into a gorilla who is then blamed for the death of his former self and hunted down And in our titular tale A Slight Case of Murder four pretty young women are each gruesomely murdered inside locked rooms with no way for the killer to get in or out But one man thinks he knows who's behind it In addition A Slight

Case of Murder and Other Stories also includes Evans's unforgettable adaptation of the Ray Bradbury story The Small Assassin This book superbly showcases these classic comic book stories and enhances the reader's experience with commentary and historical and biographical detail by EC experts *Accidents and Old Lace* Graham Ingels, 2020-11-24 This volume collects short horror comics stories from Tales From the Crypt Vault of Horror Haunt of Fear Crime Suspense Stories and Impact including a rare EC gem that hasn't been seen since its original publication more than 65 years ago These stories which Ghastly Graham Ingels drew while he was at the pinnacle of his powers include tales such as Accidents and Old Lace Three sweet little old ladies weave tapestries depicting the gruesome deaths of real people but when an art dealer commits murder to get a tapestry of his own he discovers just how closely art imitates death In Marriage Vow a woman returns from the grave to fulfill her wifely duty to her murderous husband until death does them together and in The Sliceman Cometh an executioner during the French Revolution can't escape the severed head of an innocent man *Forty Whacks* Jack Kamen, Al Feldstein, 2015-10-07 Jack Kamen's precise clean style was perfect subversion for EC Comics tales of seemingly normal men and women who coolly act on the rage jealousy and greed just below their glamorous facades Kamen's crime capers include Forty Whacks Whatever became of that ax Lizzie Borden used Contract for Death A suicidal man agrees to accept 5 000 for his fresh corpse then changes his mind But the contract fails to specify that the body has to be his The Neat Job Her neat freak husband drove her crazy so when she chopped him up into little pieces Just Desserts A madman bent on revenge hosts a dinner for his victims and the final course is a killer plus 20 more gripping tales of tension as only EC could do them

The High Cost of Dying Reed Crandall, Al Feldstein, 2016-02-10 Reed Crandall's mastery of fine line detail and expertly nuanced pen and ink texture is a perfect fit for EC Comics This collection of 21 Crandall favorites delineated in his classically illustrative style includes The Silent Towns a Ray Bradbury story about the last man and woman on Mars Carrion Death a stark horror story about a man struggling through the desert with a corpse handcuffed to his wrist as the vultures circle closer Sweetie Pie the grisly story of a ghoul who sets up a roadside hazard to procure um fresh meat The Kidnapper about a man who decides to kidnap a baby to replace the baby that had been stolen from him and his wife Space Suitors a science fiction love triangle that leads to jealousy betrayal and murder and The High Cost of Dying the title story in which a man must make an awful choice between burying his wife and feeding his children **Bomb Run** John Severin, Harvey Kurtzman, 2014-07-05 The team of Harvey Kurtzman and John Severin was one of the most fruitful collaborations in the history of comics The work they did together brings the gritty realism and psychological truth of Stephen Crane and a verisimilitude to the page that it seems as if they are reporting from the scene Together with inker and friend Will Elder whose own obsession for detail perfectly complemented the impact they were all striving to achieve they produced 34 emotionally draining and dramatically eloquent war stories in just under three years This book collects them all *Grave Business* Graham Ingels, Al Feldstein, 2015-07-04 Even in an era of explicit horror films Ghastly Graham Ingels still delivers a

shock to readers with his grisly depictions of the stomach churning fates of the evil men and women in these stories leavened only by a sly wink to the reader and a generous dose of dreadful puns Ingels's brushwork oozes ominously across every panel perfectly setting the mood for the shudder inducing fates of such corrupt characters as the sadistic asylum director the political candidate who murders his opponent the ventriloquist with the homicidal dummy the millionaire who persecutes an aged junkman and the medieval duke who runs over a young boy with his carriage then taxes the peasants to pay for cleaning up his victim's blood Sucker Bait Graham Ingels, Al Feldstein, 2014-02-15 Even 60 years after their original release in an era of explicit horror EC Comics superstar Graham Ghastly Ingels's grisly pages retain the power to shock His loving depictions of the endless corruption of flesh and nature made him the go to guy for stories involving swamps maniacs and dismemberment and all three combined to best effect in one of the standouts of this collection of his stories *Horror We How* s Bayou considered the single most spectacularly drawn of all of EC's horror stories with a climax that would give body horror king David Cronenberg nightmares Ingels specialized in depicting the unimaginable If you ever wondered what the vengeful decaying corpse of an elephant stomping a woman to death would look like it's in here *Squash Anyone* Or living rats sewn into the bodies of a tyrannical king and queen A Grim Fairy Tale or the results of injecting a poison pen letter writer with literal poison and reducing him to in the words of Al Feldstein's script a foul smelling oozing pool of putrescence *Notes to You* One of the two Ray Bradbury adaptations in the book *There Was an Old Woman* about a deceased crone who simply refuses to stay dead provides the closest thing to a note of sweetness that you'll find here perhaps with the exception of the genuinely romantic *A Little Stranger* and its loving marriage between a dead vampire and a dead werewolf *Sucker Bait* And *Other Stories* features 25 classic stories from *Tales From the Crypt Shock Suspen Stories Vault of Horror* and Ingels and his Old Witch character's special showcase *Haunt of Fear* plus the usual fascinating historical critical and biographical material
