And The Strange Case Of Ruby McCollum

By
C. Arthur Ellis, Jr., Ph.D.

Zora Hurston And The Strange Case Of Ruby Mccollum

William Bradford Huie

Zora Hurston And The Strange Case Of Ruby Mccollum:

Zora Hurston and the Strange Case of Ruby McCollum C. Arthur Ellis, 2009 In 1952 Zora Neale Hurston traveled to Live Oak Florida to cover the trial of a black woman accused of murdering the town's only doctor a white man Drawing on Hurston's newspaper coverage Ellis recounts the sensational trial **Zora Neale Hurston** Cynthia Davis, Verner D. Mitchell, 2013-05-09 Zora Neale Hurston 1891-1960 the most prominent of the Harlem Renaissance women writers was unique because her social and professional connections were not limited to literature but encompassed theatre dance film anthropology folklore music politics high society academia and artistic bohemia Hurston published four novels three books of nonfiction and dozens of short stories plays and essays In addition she won a long list of fellowships and prizes including a Guggenheim and a Rosenwald Yet by the 1950s Hurston like most of her Harlem Renaissance peers had faded into oblivion An essay by Alice Walker in the 1970s however spurred the revival of Hurston's literary reputation and her works including her 1937 novel *Their Eyes Were Watching God* have enjoyed an enduring popularity Zora Neale Hurston An Annotated Bibliography of Works and Criticism consists of reviews of critical interpretations of Hurston's work In addition to publication information each selection is carefully crafted to capture the author's thesis in a short pithy analytical framework Also included are original essays by eminent Hurston scholars that contextualize the bibliographic entries Meticulously researched but accessible these essays focus on gaps in Hurston criticism and outline new directions for Hurston scholarship in the twenty-first century Comprehensive and up to date this volume contains analytical summaries of the most important critical writings on Zora Neale Hurston from the 1970s to the present In addition entries from difficult to locate sources such as small academic presses or international journals can be found here Although intended as a bibliographic resource for graduate and undergraduate students this volume is also aimed toward general readers interested in women's literature African American literature American history and popular culture The book will also appeal to scholars and teachers studying twentieth-century American literature as well as those specializing in anthropology modernism and African American studies with a special focus on the women of the Harlem Renaissance [The Silencing of Ruby McCollum](#) Tammy D. Evans, 2016-09-20 This groundbreaking work reads like a murder mystery only in this case what has been killed is our American integrity and the right of an individual to a fair trial Evans has finally addressed the pervasive silence that distorts fragments and threatens to bury the history of so many southern places and people Rebecca Mark Tulane University *The Silencing of Ruby McCollum* refutes the carefully constructed public memory of one of the most famous and under-examined biracial murders in American history On August 3 1952 African American housewife Ruby McCollum drove to the office of Dr. C. LeRoy Adams beloved white physician in the segregated small town of Live Oak Florida With her two young children in tow McCollum calmly gunned down the doctor during according to public sentiment an argument over a medical bill Soon a very different motive emerged with McCollum alleging horrific mental and physical abuse at Adams's hand In reaction to these

allegations and an increasingly intrusive media presence the town quickly cobbled together what would become the public facade of Adams's murder a more acceptable motive for McCollum's actions To ensure this would become the official version of events McCollum's trial prosecutors voiced multiple objections during her testimony to limit what she was allowed to say Employing multiple methodologies to achieve her voice historical research feminist theory African American literary criticism African American history and investigative journalism Evans analyzes the texts surrounding the affair to suggest that an imposed code of silence demands not only the construction of an official story but also the transformation of a community's citizens into agents who will reproduce and perpetuate this version of events improbable and unlikely though they may be Tammy Evans is an adjunct professor of composition at the University of Miami's Bradenton campus

ZORA : In Search of Zora Neale Hurston Wikipedia Presents,2014-06-23 In order to attend public school for free Hurston presented herself as 16 she was really 26 years old Later she studied anthropology and became the first African American graduate male or female from Barnard College Known for her three seminal works 1 Jonah's Gourd Vine and 2 Tell My Horse and 3 Their Eyes Were Watching God Ms Hurston was a great influence on three of the most important African American authors Maya Angelou Toni Morrison and Alice Walker

The New Black Sociologists Marcus A. Hunter,2018-07-04 The New Black Sociologists follows in the footsteps of 1974's pioneering text *Black Sociologists: Historical and Contemporary Perspectives* by tracing the organization of its forbearer in key thematic ways This new collection of essays revisit the legacies of significant Black scholars including James E Blackwell William Julius Wilson Joyce Ladner and Mary Pattillo but also extends coverage to include overlooked figures like Audre Lorde Ida B Wells James Baldwin and August Wilson whose lives and work have inspired new generations of Black sociologists on contemporary issues of racial segregation feminism religiosity class inequality and urban studies

Gun Violence in Modern America and Its Victims: The Case for Atrocity Kronick, Robert,2025-02-25 Gun violence in modern America is a pressing societal issue that impacts individuals families and communities across the nation By examining this topic through a multidisciplinary lens we gain a deeper understanding of the systemic forces and leadership failures that contribute to its persistence as well as potential avenues for meaningful change Community schools with their emphasis on localized support and civic engagement emerge as promising interventions to address the root causes of violence and build long term resilience Anchored by institutions like universities and libraries these schools can serve as critical hubs for fostering safety equity and opportunity in vulnerable communities Addressing gun violence in this way not only saves lives but also strengthens the social fabric of society Gun Violence in Modern America and Its Victims The Case for Atrocity offers a multidisciplinary perspective on gun violence Drawing from a diverse array of fields it examines gun violence through both individual stories and broader systemic forces Covering topics such as community schools mental illness and racism this book is an excellent resource for educators community leaders policy makers public officials researchers academicians and more

Hall of Mirrors Michael J. Carr,2015-11-11 This full

color edition of the Hall of Mirrors is the most thoroughly researched work on the Ruby McCollum story published since the work of William B Huie Written by the author who first published the annotated transcript of the murder trial this work explores recent attempts to revise Ruby McCollum s story to suit the motives of various authors academics and film producers Hall of Mirrors avoids the confirmation and presentist biases found in other works and presents this captivating story in its proper historical context It is a must read for anyone seriously interested in the facts of the case but is guaranteed to offend those who steadfastly deny Ruby McCollum s innocence in the face of overwhelming facts **She Took Justice**

Gloria J. Browne-Marshall,2021-01-01 She Took Justice The Black Woman Law and Power 1619 to 1969 proves that The Black Woman liberated herself Readers go on a journey from the invasion of Africa into the Colonial period and the Civil Rights Movement The Black Woman reveals power from Queen Nzingha to Shirley Chisholm In She Took Justice we see centuries of courage in the face of racial prejudice and gender oppression We gain insight into American history through The Black Woman s fight against race laws especially criminal injustice She became an organizer leader activist lawyer and judge a fighter in her own advancement These engaging true stories show that for most of American history the law was an enemy to The Black Woman Using perseverance tenacity intelligence and faith she turned the law into a weapon to combat discrimination a prestigious occupation and a platform from which she could lift others as she rose This is a book for every reader **Klandestine**

Pate McMichael,2015-04-01 Pate McMichael not only puts to rest the legend of a conspiracy to kill Martin Luther King Jr but in lucid compelling prose he also demonstrates how that legend was constructed and why it persists Anyone interested in civil rights history the 1960s King or conspiracy theories or just a great story should grab this book and hold on tight Clay Risen author of The Bill of the Century Unanswered questions surround the assassination of Martin Luther King Jr and many still wonder whether justice was served After all only one man an escaped convict named James Earl Ray was punished for the crime and he did not seem to fit the caricature of a hangdog racist thirsty for blood Had he been paid by clandestine forces After his arrest Ray forged a partnership with two very strange bedfellows a slick lawyer named Arthur J Hanes the de facto Klonsel for the United Klans of America and journalist William Bradford Huie the darling of Look magazine Despite polar opposite views on race Hanes and Huie found common cause in the world of conspiracy Together they thought they could make Memphis the new Dallas Relying on a trove of newly released documents and dusty files Klandestine takes readers deep inside Ray s Memphis jail cell and Alabama s violent Klaverns showing how a legacy of unpunished racial killings provided the perfect exigency to sell a lucrative conspiracy to a suspicious and outraged nation Pate McMichael is an award winning journalist His stories have been published in Z calo Public Square Atlanta magazine St Louis magazine and elsewhere **African American Sites in Florida**

Kevin M. McCarthy,2007 Over 400 years ago in 1528 an African named Estevanico first set foot in Florida near present day Tampa as part of a Spanish exploration party Since then African Americans in Florida have continued to set examples of courage perseverance and leadership In this book you

will read about some people you may already know about such as Ray Charles and Carrie Pittman Meek and many others whose lives are also inspirational even if their names are not so familiar Though many African Americans started life in poverty and had to fight racial injustice their stories prove that the desire to succeed can overcome many obstacles They followed their dreams to become teachers artists soldiers lawyers nurses sports stars authors and many other occupations Their important contributions to the state and to the country enrich us all This book also includes detailed descriptions of the 141 historical and cultural sites on the Florida Black Heritage Trail and a calendar of significant dates in the history of African Americans in Florida Publisher description *New Books on Women, Gender and Feminism* ,2010 *Zora Neale Hurston* Carla Kaplan, Ph.D.,2007-12-18 I mean to live and die by my own mind Zora Neale Hurston told the writer Countee Cullen Arriving in Harlem in 1925 with little more than a dollar to her name Hurston rose to become one of the central figures of the Harlem Renaissance only to die in obscurity Not until the 1970s was she rediscovered by Alice Walker and other admirers Although Hurston has entered the pantheon as one of the most influential American writers of the 20th century the true nature of her personality has proven elusive Now a brilliant complicated and utterly arresting woman emerges from this landmark book Carla Kaplan a noted Hurston scholar has found hundreds of revealing previously unpublished letters for this definitive collection she also provides extensive and illuminating commentary on Hurston s life and work as well as an annotated glossary of the organizations and personalities that were important to it From her enrollment at Baltimore s Morgan Academy in 1917 to correspondence with Marjorie Kinnan Rawlings Langston Hughes Dorothy West and Alain Locke to a final query letter to her publishers in 1959 Hurston s spirited correspondence offers an invaluable portrait of a remarkable irrepressible talent **New Books on Women and Feminism** ,2010 **Ebony** ,1954

Blood & Ink Albert Borowitz,2002 The interplay between crime fact and crime fiction can be detected back to literature s earliest beginnings True crime has long been the basis of many plots of memorable literature from Nathaniel Hawthorne s *The Scarlet Letter* to Jean Genet s play *The Maids* there has often been blood on the page *The Strange Case of Ruby McCollum* William Bradford Huie,1954
