Understanding Darkness Anointing Francis Chukwuyama:

Understanding the Yoke of Darkness and Anointing Francis Nnamdi Chukwuyama, 2015-12-04 this book reveals the resolving power of the anointing of God to the yokes of darkness and all it entails Isa 10 27 including their respective interest in relation to the issues of the will of God concerning man on earth John 10 10 Acts 10 38 *Out of Darkness and Into Christ* M. D. Rene Pelleya-Kouri, 2015-12-04 *Out of Darkness and into Christ* is mostly an inspired book Early in the mornings I have set up special times of holy visitations and communion with the Lord in which I received revelation understanding wisdom knowledge counsel and even impartation from heaven Under such anointing I began to write what I believe what God is releasing for our ministry to help us and to help others In the introduction I gave an important testimony referring to my life before Christ where I searched intensely for God every place I could And specifically in the psychospiritual area of the imagination where it is very easy to be deceived as I was for many years When Christ comes the old passes away and we become a new creation 2 Corinthians 5 17 Under the anointing of the Holy Spirit we deal with hidden things that prevent our growth There is a psychology a Christian one which we can refer as clinical theology or progressive sanctification meaning the rooting out of strongholds and planting of the new life We receive the authority and power of God which comes to us as a result of Jesus s death on the cross and his resurrection In chapter 4 we teach healing through deliverance Deliverance the casting out of evil spirits was a prominent part of Jesus s ministry and we are supposed to do the same John 14 12 Believers we cast out demons Matt 16 17 In our ministry in Africa a common way to receive physical healing is through deliverance Chapter 5 is very important All blessings have been released already and we have to appropriate them Many are stuck in blockages to healing but we show you how to have victory in such opposing strongholds In chapter 6 we deal with the child How many people have been wounded hurt abused and traumatized carrying trauma all their lives We need to heal the child Chapter 7 the volcano is an excellent panorama of hidden wounds defenses and surface smoke the symptoms of hidden processes This is a universal problem and chapter 7 is an eye opener Though out this book not only do we expose the problem but we give keys to victory I am a medical doctor so every day I see all kinds of infirmities of the spirit soul and body Chapter 9 deals with fibromyalgia I believe that what we have learned through the Spirit on how to heal this decease will help understand the dynamics of diseases This book is about to heal the spirit soul and body in the Christian way This is our daily practices in the medical office our healing room on the streets and in the nations Be blessed
