Powell, 2018-01-21 An engaging overview of who teachers are the work they do and the realities of life in the classroom Your Introduction to Education takes readers on a journey into authentic classrooms and guides them through life in real classrooms lived by real teachers and real students One of the core goals of this work is to help readers discover whether teaching is for them and if it is what their potential strengths and weakness as educators might be The text weaves the real

life experiences of eight teachers and eight students from four schools across the country into its content. These people and places are drawn from urban, suburban, and rural settings, allowing readers to examine teaching and learning from a variety of perspectives. The 4th Edition includes a wealth of new video clips in Revel™ and provides new interactive tools such as self-exploration inventories. The content has been significantly updated to address topics like preventing bullying, teacher evaluation, social media, cultural and linguistic diversity, LGBTQ students, and teacher effectiveness research. Revel is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, Revel replaces the textbook and gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, Revel is an interactive learning environment that enables students to read, practice, and study in one continuous experience for less than the cost of a traditional textbook. **NOTE:** Before purchasing, check with your instructor to ensure you select the correct ISBN. Several versions of Pearson's products exist for each title, and registrations are not transferable. In addition to the access card included in this package, you will need a course invite link provided by your instructor to register for and use Revel. Used books, rentals, and purchases made outside of Pearson: If purchasing or renting from companies other than Pearson, the access code for Revel may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase.

Your Introduction to Education Sara D. Powell, 2016-06-06 This package includes the Enhanced Pearson eText loose-leaf version and the Video Analysis Tool in MediaShare for Introduction to Teaching. Your Introduction to Education takes future teachers into an authentic classroom to empower them to explore content and classrooms reflect on what they're learning and develop a sense of the kind of teacher they aspire to be. In these pages, readers discover whether teaching is for them and, if so, what they may be like as teachers tomorrow. Here, readers explore the concepts through the real-life experiences of 10 teachers and 12 students from four schools across the urban, suburban, and rural landscape of the United States. It's a real-life demonstration of what teaching is really like through classroom scenarios and person-to-person interactions, both by word and through hours of video. Today's current relevant issues in education are discussed in engaging ways, and both the art and service of teaching and the science of teaching are presented in an accessible writing style that grabs and keeps students' interest as they move through the concepts they will encounter in their own classrooms one day. The Enhanced Pearson eText features embedded video, embedded audio, and chapter review questions. Improve mastery and retention with the Enhanced Pearson eText. The Enhanced Pearson eText provides a rich, interactive learning environment designed to improve student mastery of content. The Enhanced Pearson eText is engaging.
