Kind regards Cristina Olivier Rebiere *Caring for Your Pet Rabbit* Carolyn Edmonds, 2024-03-21 Rabbits are undeniably
adorable creatures and you may be contemplating bringing one into your home or have already done so only to realize that
caring for rabbits entails more effort than anticipated Contrary to popular belief rabbits are not as low maintenance as some
may assume akin to beginner pets like hamsters Instead they require a level of care comparable to that of dogs albeit without
the need for walks Key aspects of rabbit care revolve around providing a nutritious diet and a spacious living environment
Once these fundamentals are addressed attention can be directed towards rabbit proofing the home and offering toys and
social interactions for enrichment Additional responsibilities include litter training grooming and understanding proper
handling techniques However fret not I'm here to offer assistance Rabbits make wonderful companions and my goal is to
ensure that you and your new furry friend enjoy a fulfilling and healthy bond I'm committed to providing you with the
necessary guidance and resources for the well being of your bunny companion
