Triumph H. W. Crocker, 2023-10-10 Updated from its original publication over 20 years ago a sweeping and often epic history of the Catholic Church Triumph H.W. Crocker III, 2009-02-25 For 2 000 years Catholicism the largest religion in the world and in the United States has shaped global history on a scale unequaled by any other institution But until now Catholics interested in their faith have been hard pressed to find an accessible affirmative and exciting history of the Church Triumph is that history Inside you ll discover the spectacular story of the Church from Biblical times and the early days of St Peter the first pope to the twilight years of John Paul II It is a sweeping drama of Roman legions great crusades epic battles toppled empires heroic saints and enduring faith And there are stormy controversies Dark Age skullduggery the Inquisition the Renaissance popes the Reformation the Church s refusal to accept sexual liberation and contemporary allegations like those made in Hitler s Pope and Papal Sin A brawling colorful history full of inspiring pageantry and spirited polemic Triumph will exhilarate amuse and infuriate as it extols the glories of Catholic history and the gripping stories of its greatest men and women *The Good, the Bad, and the Beautiful* Joseph Pearce, 2023-12-08 Christ is the way and the truth and the life but fallen mankind although made in Christ s image is not so pure Human history including Church history is a tapestry woven of three threads the good the bad and the beautiful This book tells the story of Christendom over two millennia focusing on what was good bad and beautiful in each century These three threads run through the heart of every person revealing the pattern of our individual lives These very same threads bind together the collective lives of men and make up the fabric of culture and civilization No one saw this three dimensional form more clearly than Benedict XVI For him the goodness of the saints and the beauty of art are the only antidote to the dark thread of evil that runs through history Inspired by this insight Joseph Pearce presents the past twenty centuries to show how goodness and beauty stemming from God himself work to conquer the bad Robert E.
