role from worker to chairman brought with it new responsibilities bringing home to him the passion that employees customers and dealers had for Triumph and how that could keep Meriden from closing and the Bonneville in production During all these desperate struggles the Triumph Bonneville became the best selling motorcycle of its class winning the coveted Motor Cycle News Motorcycle of The Year award at the end of the seventies Yet within just a few years of this Meriden and the Bonnie were finally gone All the rescue attempts the lifesaving international orders and the negotiations for a reprieve with the new Thatcher government are covered here in unique detail as is the introduction of new models that Meriden hoped would attract a white knight Lavishly illustrated with never before seen photographs from the personal collections of the factory s workers this inside story of Triumph s last years at Meriden is the definitive history of the most famous of the Tony Benn worker s co operatives
