Highway to Holiness Catherine (Cathee) Miles, 2025-07-22 Holiness sometimes seems like an abstract ideal that is unattainable for believers We tend to equate doing good with being holy or seeking to eliminate things in our lives that appear unholy The beautiful aspect of God's call to holy living is that God provides the Holy Spirit the enabling conduit to the everyday practice in holy living Through this devotional Cathee helps believers understand the idea of holiness as well as theological concepts surrounding holy living such as the Trinity the Church and discipleship She encourages and challenges readers with stories of hope redemption healing forgiveness suffering and the way of the crucified life which lead to a life of wholeness and holiness in and through Jesus Christ Each day offers a reflection and contemplation of Scripture a prayer and questions of self examination The Highway to Holiness is intentional and instructional for holy living

Created in the Image of God Otis Lee Gaston, 2023-08-02 We are told in the Scriptures that God desires that we know Him more than He desires sacrifices Hosea 6:6 The way to know God is through the study of His word the Bible and a personal relationship with Him through our acceptance of the salvation offered through His Son Jesus The primary goal of *Created in the Image of God* is for us to know God through studying the Trinity the three part structure of God as presented in the Bible and comparing and contrasting the Trinity with the three part structure of mankind who is created in the image of God Genesis 1:26 *Created in the Image of God* attempts to bring forth relevant Scriptures as pertaining to the Trinity and the creation of mankind as well as applicable thoughts of theological scholars as they pertain to this topic Through the study of the trichotomic structure of mankind we will see how mankind is able to relate to God the meaning of regeneration at salvation the distinction between the indwelling and the filling of the Holy Spirit the root cause of addictive behaviors the reason that mankind is above and different from the rest of the animal kingdom and the purpose and cause of prevenient grace Above all the hope of *Created in the Image of God* is that it leads readers to know God more fully so that we can love him more wholly

The Trouble with the Trinity Carlos A. Pinkham, 2019-07-26 One God or one with several forms Or maybe two three or perhaps many separate Gods If you seriously study all the Christian religions you will find that each of these possibilities is claimed That is one trouble with the Trinity there are just too many possibilities Which if any is right Which view does the Bible support And if it supports one view how strongly and in exactly what way The Trouble with the Trinity attempts to study every verse in God's Word that links a name for one or more members of the Godhead with a nearby word or concept for God Nearly a thousand verses meet this condition Collating them into logical categories reveals the eight and only eight possible ways and combinations that could help us understand that the Father Son and Holy Spirit is Three in One Moreover when the verses in each of these eight ways are further organized they provide deep insights into the nature of God And when the eight ways are woven together they reveal a startling symbol with

relevance to Judaism Christianity Islam geometry and our neural network Furthermore these insights are reinforced through the symbolism of the colors used in the tabernacle when these colors are properly applied to the eight parts of the symbol The book incorporates mathematics and science especially the biological sciences written with plain language into the discussions of the Trinity Some of the proposed connections have never been posited elsewhere It also considers other symbols and icons of the Trinity for their ability to reflect aspects of the Triune Godhead The Trouble with the Trinity is not written for the theologian although it includes a section that presents a theological discussion of the Trinity Rather it is written for those who are curious about or confused by the Trinity For more information and to view Images About the book Appendixes and more as well as contact information please go to <https://www.thetwtt.com> You can also visit the author s Facebook page <https://www.facebook.com/TTWTTrinity> view_public_for 100820838002256 *ARBA In-depth* Martin Dillon, Shannon Graff Hysell, 2004-02-28 Unabridged reviews of reference books CD ROMs and Websites selected from the American Reference Books Annual from 1997 to 2003 **American Reference Books Annual**, 2001 1970 issued in 2 vols v 1 General reference social sciences history economics business v 2 Fine arts humanities science and engineering
