Women In Literature Women In Literature:

Women in Literature Alexis Burling, 2016-08-15 Women have made a difference in every field imaginable and they continue to do so today Women's Lives in History introduces readers to dozens of these remarkable people Women in Literature features groundbreaking figures in literary fiction genre fiction science fiction nonfiction and memoir feminist writing poetry and young adult literature Compelling text and vivid photographs bring these women to life Features include essential facts a timeline a glossary additional resources source notes and an index Aligned to Common Core Standards and correlated to state standards Essential Library is an imprint of Abdo Publishing a division of ABDO **Images of Women in Literature** Mary Anne Ferguson, 1986 Images of Women in Literature Fifth Edition is an anthology of literature short fiction poetry and drama by a broad range of female and male writers depicting the roles of women in literature The Bloomsbury Guide to Women's Literature Claire Buck, 1992 Provides biographies novel synopses poems plays and essays by or about women and discusses feminist literature **Women in literature** Carol Fairbanks, 1976 **Women and Writing** Virginia Woolf, 1980 Throughout her life Virginia Woolf wrote extensively and persuasively about the lack of professional and educational opportunities for women Drawing on critical essays articles journal entries and Woolf's well known feminist pieces this is a fascinating gathering of her shorter pieces on women as writers and the evolution of the female literary tradition Not only are these pieces thought provoking in themselves but they also shed light on Woolf's inner life and viewed as a whole give both the beginning and experienced Woolf reader a greatly expanded understanding of her vision from back cover **Women Writers and Experimental Narratives** Kate Aughterson, Deborah Philips, 2021-01-23 This book explores the history of women's engagement with writing experimentally Women writers have long used different narratives and modes of writing as a way of critiquing worlds and stories that they find themselves at odds with but at the same time as a way to participate in such spaces Experimentation of style mode voice genre and language has enabled women writers to be simultaneously creative and critical engaged in and yet apart from stories and cultures that have so often seen them as other This collection shows that women writers in English over the past 400 years have challenged those ideas not only through explicit polemic and alternative representations but through disrupting the very modes of representation and story itself A Literature of Their Own Elaine Showalter, 2020-12-08 When first published in 1977 A Literature of Their Own quickly set the stage for the creative explosion of feminist literary studies that transformed the field in the 1980s Launching a major new area for literary investigation the book uncovered the long but neglected tradition of women writers in England A classic of feminist criticism its impact continues to be felt today This revised and expanded edition contains a new introductory chapter surveying the book's reception and a new postscript chapter celebrating the legacy of feminism and feminist criticism in the efflorescence of contemporary British fiction by women Women in Literature Jerilyn Fisher, Ellen Silber, 2003-06-30 With the literary canon consisting mostly of works created by and about men the central perspective is

decidedly male This unique reference offers alternate approaches to reading traditional literature as well as suggestions for expanding the canon to include more gender sensitive works Covering 96 of the most frequently taught works of fiction essays offer teachers librarians and students fresh insights into the female perspective in literature The list of titles created in consultation with educators includes classic works by male authors like Dickens Faulkner and Twain balanced with works by female authors such as Kate Chopin s *The Awakening* and Mary Shelley s *Frankenstein* Also included are contemporary works by writers such as Alice Walker and Margaret Atwood that are being incorporated into the curriculum as well as those advancing a more global view such as Sandra Cisneros *House on Mango Street* and Chinua Achebe s *Things Fall Apart* The essays are expertly written in an accessible language that will help students gain greater awareness of gender related themes Suggestions for classroom discussions with selected works for further study are incorporated into the entries The volume is organized alphabetically by title and includes both author and subject indexes An appendix of gender related themes further enhances this volume s usefulness for curriculum applications and student research projects

Women Writing and Writing about Women Mary Jacobus,2012 United by a common focus on writing by and about women this collection of contemporary essays spanning the novel poetry drama film and criticism emphasises some of the problems of theory and practice posed by writing as a woman and by women s representation in literature The subjects of individual essays range from the nineteenth and twentieth century novel to avant garde film and from Victorian women poets to Russian women poets of today Drawing on structuralism psychoanalysis semiotics socio linguistics and Marxist analyses of literature the diverse essays suggest the variety and vigour of contemporary feminist literary criticism as well as representing the debates animating it Successfully bridging the gap between literary criticism and literary production the scope of this collection will be of considerable interest to those concerned with developments in literary criticism as well as to those in the field of women s studies

The Vintage Book of American Women Writers Elaine Showalter,2011-01-11 For centuries women have been marginalized and overlooked in American literary history That injustice is corrected in this entertaining and provocative collection of 350 years of poetry and fiction by American women From Puritan poet Anne Bradstreet to Margaret Fuller to Harriet Beecher Stowe readers will encounter scores of lesser known and forgotten writers who fully deserve to be rediscovered and enjoyed by new generations Our famous women writers including contemporary stars like Annie Proulx and Jhumpa Lahiri are showcased in their full literary context offering an epic overview of the canon in one monumental dazzling volume This landmark anthology features the best work of our best American women and was inspired and informed by the author s groundbreaking history celebrating women writers A Jury of Her Peers
