Women, Gender, and Politics Prajna Paramita Das (Women liberalist), 2018 Women, Gender, and Politics Mona Lena Krook, Sarah Childs, 2010 Six areas of research of the subjects of women gender and politics are debated social movements political parties elections political representation public policy and the state *The Politics of Gender* Adrienne Trier-Bieniek, 2018-09-11 To consider gender and politics is to ask Who has the power The Politics of Gender attempts to break through power structures by examining the institutional roles each play This text takes several approaches to understanding the politics of gender beginning with an introductory chapter focused on the major terms and theoretical approaches connected to political and gender studies Topics covered throughout the book include a historical discussion of the feminist movement an analysis of the 2017 Women s March on Washington the nomination and subsequent reactions of Hillary Clinton the impact Michelle Obama had for women of color as the first African American First Lady as well as the ways lesbian women s bodies are scrutinized In addition this volume addresses the ways gender is litigated by examining the rights of lesbian women in Nigeria the treatment of trans gender people while in prison and the connection between gun laws and intimate partner violence Finally this text provides the reader with suggestions for community involvement resources for voting reading film and Podcast recommendations all combined with the stories of two women who discuss the change they created in their communities Gender, Politics and Institutions M. Krook, F. Mackay, 2010-12-07 Political institutions profoundly shape political life and are also gendered This groundbreaking collection synthesises new institutionalism and gendered analysis using a new approach feminist institutionalism in order to answer crucial questions about power inequalities mechanisms of continuity and the gendered limits of change *Gender and Political Analysis* Johanna Kantola, Emanuela Lombardo, 2017-03-15 A major new text on gender and politics by two leading authorities which introduces the main issues and debates about the politics of gender and its role in both domestic and international politics and feminist approaches to political analysis *Gender Politics* Susan Henneberg, 2016-12-15 It is somewhat astounding that a gender gap continues to exist today in the United States and worldwide Girls and women face educational roadblocks economic disparity threats to their health and safety and biased laws How can such treatment of the world s mothers sisters wives and daughters be permitted This enlightening anthology presents a range of diverse viewpoints about the gender divide between men and women Readers will learn the effects that culture and gender constructs have on this gap and why it is an issue that concerns both women and men **Gender in Georgia** Maia Barkaia, Alisse Waterston, 2017-10-01 As Georgia seeks to reinvent itself as a nation state in the post Soviet period Georgian women are maneuvering adjusting resisting and transforming the new economic social and political order In Gender in Georgia editors Maia Barkaia and Alisse

Waterston bring together an international group of feminist scholars to explore the socio political and cultural conditions that have shaped gender dynamics in Georgia from the late 19th century to the present In doing so they provide the first ever woman centered collection of research on Georgia offering a feminist critique of power in its many manifestations and an assessment of women s political agency in Georgia

The Oxford Handbook of Philosophy of Social Science Harold Kincaid,2012-08-23 The philosophy of the social sciences considers the underlying explanatory powers of the social or human sciences such as history economics anthropology politics and sociology The type of questions covered includes the methodological the nature of observations laws theories and explanations to the ontological whether or not these sciences can explain human nature in a way consistent with common sense beliefs This Handbook is a major comprehensive look at the key ideas in the field is guided by several principles The first is that the philosophy of social science should be closely connected to and informed by developments in the sciences themselves The second is that the volume should appeal to practicing social scientists as well as philosophers with the contributors being both drawn from both ranks and speaking to ongoing controversial issues in the field Finally the volume promotes connections across the social sciences with greater internal discussion and interaction across disciplinary boundaries
