Women United Women Divided Cross Cultural Perspectives On Female Solidarity:

Women United, Women Divided Patricia Caplan, Janet M. Bujra, 1978 *Ideologies of Caring* Gillian Dalley, 1996-06-27 Community care has long been the preferred policy for caring for dependent people This book first published in 1988 challenges accepted ideas about community care arguing that it is based on assumptions about an ideal model of family life which in practice disadvantages both disabled and older people and women carers alike New to this Edition Takes full account of major developments in community care since 1988 Draws on an eclectic range of feminist historical and ethnographic sources Proposes alternative and collective approaches to caring Women Among Women Jeanette Dickerson-Putman, Judith K. Brown, 1998 Cross cultural in nature the volume looks at relationships between women of different age groups in a village in Taiwan a town in central Sudan a rural setting in western Kenya an Andean peasant community a horticultural village in Melanesia and an Aboriginal community in Australia Adding an interspecies perspective is a study of two age groups of Japanese macaque monkeys Included is an ethnographic bibliography that lists books with a wealth of information on women in sixty societies *Women in Charge (Routledge Revivals)* Robert Goffee, Richard Scase, 2015-06-11 Why do women start their own businesses Is it solely because they are searching for financial success or for other reasons On the basis of detailed interviews with a number of women who have started their own businesses this book first published in 1985 reveals the significance of factors that are directly related to women s experiences at home at work and in the wider society The author s analysis shows how business start up enables many women but not all to achieve forms of economic and social independence that they would not otherwise enjoy Further they illustrate ways in which business proprietorship has a wide variety of effects upon individuals and upon their personal relationships and life styles They refute the notion of a single entrepreneurial experience and argue that the causes and consequences of business start up are highly conditioned by the extent to which women are committed to traditionally prescribed roles and to profitability The findings of this book will have important implications for the formulation of small business policies It will also be of particular value to those interested in women s studies and small business management *Readings in Gender in Africa* Andrea Cornwall, 2005 This is a comprehensive overview on the existing literature on gender in Africa It covers areas such as Western perceptions colonial morality religion and politics The Missing Half Alison Kelly, 1981 Bundeling van beshcouwingen over het waarom van het ondervertegenwoordigd zijn van meisjes in exacte wetenschappen Het boek kan onderverdeeld worden in drie delen Ten eerste worden de verschillende theorie n over deze ondervertegenwoordiging op een rijtje gezet Vervolgens worden de onderzoeksresultaten hieromtrent besproken Deze werpen een licht op de determinanten van studiekeuze bij meisjes en op de attitudes van leerkrachten t o v wetenschappelijk begaafde meisjes Tot slot geven leerlingen en leerkrachten hun eigen mening en suggeren strategie n om de resultaten van meisjes te verbeteren

Froerer,2019-07-23 This book is an ethnographic account of the emergence of Hindu nationalism in a tribal adivasi community in Chhattisgarh central India It is argued that the successful spread of Hindu nationalism in this area is due to the involvement of the Rashtriya Swayamsevak Sangh RSS a militant Hindu nationalist organization in local affairs While active engagement in civilizing strategies has enabled the RSS to legitimize its presence and endear itself to the local community the book argues that participation in more aggressive strategies has made it possible for this organization to fuel and attach local tensions to a broader Hindu nationalist agenda Drugs in America Ansley Hamid,1998 This basic analysis of the drug
