**The Health of the Presidents** John R. Bumgarner, M.D.,2024-10-11 Surrounded by well meaning aides physicians sworn to confidentiality and in some cases sycophants the president of the United States usually keeps the state of his health well guarded from the American public Though the intention of the 25th Amendment is to provide for the removal of an impaired president the level of discretion involved in such a decision has caused many to question whether it serves the national interest In large part the men who have served as president have been past middle age and susceptible to the same maladies as the rest of the aged population The complete medical history of each of the first 41 U S presidents emphasizing illnesses that affected them during their administrations is

here set out for the lay reader by a physician The presidents health care regimens diet exercise home remedies etc and  
physicians treatments are also discussed **The Presidents of the United States** John Durant,Alice K. Rand Durant,1980
