Cognitive Sociolinguistics Revisited Gitte Kristiansen, Karlien Franco, Stefano De Pascale, Laura Rosseel, Weiwei Zhang, 2021-11-22 Cognitive Sociolinguistics draws on the rich theoretical framework of Cognitive Linguistics and focuses on the social factors that underlie the variability of meaning and conceptualization In the last decade the field has expanded in various way The current volume takes stock of current and emerging advances in the field in short academic contributions The studies collected in this book have a usage based approach to language variation and change drawing on the theoretical framework of Cognitive Linguistics and are sensitive to social variation be it cross linguistic or language internal Three types of contributions are collected in this book First it contains theoretical overview papers on the domains that have witnessed expansion in recent years Second it presents novel research ideas in proof of concept contributions aimed at blue sky research and out of the box linguistic analyses Third it showcases recent empirical studies within the field By combining these three types of contributions the book provides an encompassing overview of novel developments in the field of Cognitive Sociolinguistics

Dictionary of Portuguese Loanwords in the Languages of Sub-Saharan Africa Sergio Baldi, 2023-10-16 The main purpose of this dictionary is twofold On the one hand it provides the scholar of African studies with a tool to identify the possible Portuguese origin of terms present in African languages and on the other it offers those who are interested in Portuguese culture an overview of the presence of its lexicon in African languages No doubt the Portuguese were among the first Europeans to explore the world outside of Europe and as such they were also the first to introduce that world to European concepts and words This book is the result of a long and detailed work on texts in African languages as also shown by the rich bibliography in the dictionary
