- Acupuncture

Treating Sexual Disorders

**Raj K. Keservani, Sharangouda J.
Patil, Ivan Aranha**

Treating Sexual Disorders:

New Sex Therapy Helen Singer Kaplan, 2013-10-28 First published in 1975 The last two decades have brought remarkable advances in our knowledge of human sexuality These data are in the process of being assimilated into the main body of psychiatric thought which is being greatly enriched thereby Our increased understanding of sexuality is also currently being translated into innovative new approaches to the treatment of sexual difficulties These developments promise relief to many persons with distressing sexual problems who were previously thought to be beyond help At the present time the specific approach to sex therapy described in this volume is being employed further developed and most important systematically evaluated at the Sex Therapy and Education Program of the Payne Whitney Psychiatric Clinic of the Cornell University New York Hospital Center The Cornell program is psychiatrically oriented It regards sex therapy as a specialized branch of psychotherapy The Clinic conceives of sexual dysfunctions as psychosomatic symptoms and its orientation is multicausal and eclectic in that it believes that sexual dysfunctions are the product of multiple etiologic factors and our treatment armamentarium comprises an amalgam of experiential behavioral and dynamically oriented modalities Sexual Disorders Peter J. Fagan, 2004-01-13 Sexual disorders may arise from multiple causes Their clinical assessment diagnosis and treatment must take into account the patient's underlying biology history and behaviors Using an approach pioneered at the Johns Hopkins Medical Institutions Peter Fagan applies the four perspectives of psychiatry disease dimension behavior and life story to the diagnosis and treatment of sexual disorders This book offers therapists an efficient and clinically proven way to organize the range of theoretical methodologies currently available presenting a framework that is both conceptually cohesive and readily applicable in clinical settings After an introduction each chapter offers a case study followed by an analysis based on one perspective methodology as well as a discussion of the clinical implications of that perspective The book closes with a chapter integrating the approaches This book will be of interest to mental health care professionals including psychiatrists psychologists and social workers who treat patients with sexual disorders **Clinical Manual of Sexual Disorders** Richard Balon, Robert Taylor Segraves, 2009-08-06 Sexuality is an integral part of gender identity self image and overall well being Sexual dysfunctions present in all cultures and ethnicities around the world Sexual problems have an especially high prevalence among patients with psychiatric syndromes yet in recent years the field of psychiatry has shifted away from the treatment of sexual disorders Clinical Manual of Sexual Disorders is the first comprehensive text in decades to address the management and treatment of sexual dysfunctions and disorders Using a conceptual model that incorporates biological psychological and cultural interventions as its guiding principle the book explores and evaluates the epidemiology of sexual disorders and paraphilias sexual dysfunctions with comorbid psychiatric disorders sexual problems associated with various medications and sexual disorders in specific patient populations Written by 25 contributing clinical specialists from around the world the text combines conceptual shifts within the field of human sexuality with the latest

research findings into a practical three part volume The first four chapters cover general areas relevant to the clinical understanding of human sexuality and sexual dysfunctions within the frame of psychiatry The second part of the book outlines the major sexual dysfunctions including male erectile disorder female arousal disorder premature ejaculation and paraphilias And the final chapters address the management of sexual issues in two unique patient populations that are often neglected in other textbooks children and adolescents and older adults The book includes several unique features to further enhance learner retention Tables charts figures and illustrations to enhance the reading material Evaluations questionnaires and other patient materials Take away points on key clinical issues at the end of each chapter Case examples from the authors own practices References for further reading Restoration of sexual function can improve the quality of life for many individuals with and without psychiatric disorders making recognition and treatment of sexual problems of utmost importance to any general psychiatric practice As the only text of its kind *Clinical Manual of Sexual Disorders* provides a concise clinically oriented biopsychosocial guide to the management and treatment of sexual dysfunction that is appropriate for all psychiatric clinical and educational settings

Treatment of Sexual Problems in Individual and Couples Therapy Robert Atkins Brown, Joan Roberts Field, 1988

Treating Sexual Desire Disorders Sandra R. Leiblum, 2010-04-16

The loss or lack of interest in sex is a common complaint in sex therapy Organized around in depth case presentations this book showcases effective treatment approaches for individuals and couples The contributors are highly skilled therapists who explore the complexity of sexual desire problems and offer detailed descriptions of clinical techniques The book illuminates the complex interplay of biological psychological interpersonal contextual and cultural factors that need to be considered in

assessment and intervention Concise chapter introductions by editor Sandra R Leiblum summarize key themes and provide a context for understanding each author s approach *A Clinician's Guide to Systemic Sex Therapy* Nancy Gambescia, Gerald R. Weeks, Katherine M. Hertlein, 2015-12-07 The second edition of A Clinician s Guide to Systemic Sex Therapy has been completely revised updated and expanded This volume is written for beginning psychotherapy practitioners in order to guide them through the complexities of sex therapy and help them to be more efficient in their treatment The authors offer a unique theoretical approach to understanding and treating sexual problems from a systemic perspective incorporating the multifaceted perspectives of the individual client the couple the family and the other contextual factors Both beginning and experienced sex relationship therapists will broaden their perspectives with the Intersystem approach and gain information rarely seen in sex therapy texts such as how to thoroughly assess each sexual disorder the implementation of various treatment principles and techniques how to incorporate homework dealing with ethical dilemmas understanding different expressions of sexual behavior and addressing the impact of medical problems on sexuality Aside from bringing the diagnostic criteria up to date with the DSM 5 this new edition contains a new chapter on sensate focus an expanded section on assessment more information about development across the lifespan and more focus on diversity issues throughout the text **Nutraceuticals for the Treatment and Prevention of Sexual Disorders** Raj K. Keservani, Sharangouda J.

Patil, Ivan Aranha, 2025-02-10 This unique book covers diverse aspects of sexual dysfunctions and the role of nutraceutical therapeutics applying both traditional knoweldge and modern evidence based research The new book focuses on the use of nutraceuticals on sexual disorders highlighting the working solutions as well as open problems and future challenges in the use of nutraceuticals in sexual disorder research Disucssing state of the art developments and trends in this field the book covers the use of antioxidants in stress induced male infertility the role of nutraceuticals in prostate cancer male sex hormone disturbances and the impact of nutraceuticals on male accessory organs The book also addresses the use of nutraceuticals on female sexual disorders and remedial measures in treating breast cancer cervical complications pregnancy health and disorders menstrual disturbances female sex hormones female infertility and prevention of vaginal infections The book also covers the use of nutraceuticals to combat general sexual disorders such as urinogenital complications geriatric sexual functions traditional nutraceuticals use for sexual disorders the use of nutritional spices for sexual disorders and the role of nutraceuticals on transgendered individuals *The Textbook of Clinical Sexual Medicine* Waguhih William IsHak, 2017-05-30 The Textbook of Clinical Sexual Medicine utilizes the biopsychosocial approach to inform physicians practitioners residents trainees and students about the latest science has to offer today for the evaluation and treatment of sexual dysfunctions especially the utilization of the full armamentarium of assessment methods and treatment interventions in order to restore of sexual health and enhance quality of life Louis Ignarro Ph D Nobel Laureate This textbook is a comprehensive resource covering sexual disorders in depth from etiology pathophysiology phenomenology treatment to

prognosis The book highlights aspects the biological and psychosocial factors predisposing precipitating and perpetuating sexual dysfunction and the importance of integrating biological and psychosocial treatments Specialized chapters cover specific common medical complaints including erectile ejaculatory and orgasmic disorders in the male desire arousal and orgasmic disorders in the female and an integrated approach to the couple With its focus on educational tools including over 100 figures easy to use DSM 5 criteria table and quick guide appendices this textbook is specially designed to educate readers on the psychiatric evaluation treatment and management of a wide range of sexual disorders The Textbook of Clinical Sexual Medicine is a vital resource for medical students residents fellows graduate students psychiatrists psychologists women s health specialists urologists endocrinologists general practitioners social workers and all medical professionals and trainees working with patients suffering from sexual disorders *Sexual Dysfunction, Second Edition* Michael P. Carey, John P. Wincze, 2012-08-30 An ideal introduction for sex therapy students and trainees this volume provides an overview of the most common sexual dysfunctions and the full range of assessment and treatment approaches The book begins with discussions of the main classes of sexual dysfunction describing what is currently known about clinical presentation prevalence and etiological factors Addressing the practical tasks of clinical evaluation and intervention the authors clearly explain basic strategies and methods for working with clients Cognitive-Behavioral Therapy for Sexual Dysfunction Michael Metz, Norman Epstein, Barry McCarthy, 2017-11-13 Cognitive Behavioral Therapy for Sexual Dysfunction provides clinicians and graduate students with a comprehensive biopsychosocial model of useful practical empirically based strategies and techniques to address common sexual dysfunctions It is the most comprehensive volume describing the couple cognitive behavioral approach to assessment treatment and relapse prevention of sexual dysfunction The focus is on sexual desire and satisfaction with an emphasis on the Good Enough Sex GES model of sharing sexual pleasure rather than an individual perfect intercourse performance test This title reflects the contributions of Mike Metz to the field of couple sex therapy

Embracing the Beat of Expression: An Psychological Symphony within **Treating Sexual Disorders**

In a global consumed by monitors and the ceaseless chatter of instantaneous interaction, the melodic elegance and emotional symphony produced by the prepared word usually diminish in to the backdrop, eclipsed by the persistent sound and disruptions that permeate our lives. However, set within the pages of **Treating Sexual Disorders** a marvelous literary treasure brimming with natural feelings, lies an immersive symphony waiting to be embraced. Crafted by an elegant composer of language, this captivating masterpiece conducts visitors on an emotional trip, skillfully unraveling the hidden melodies and profound influence resonating within each cautiously crafted phrase. Within the depths of the emotional analysis, we will discover the book is central harmonies, analyze their enthralling writing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
