Tren Nocturno A Lisboa Narrativa:

Tren nocturno a Lisboa Pascal Mercier, 2014 **Puerto Vallarta de película** Marco Antonio Cortés Guardado, 2021-10-22 Este libro trata del influjo del cine en la configuración del espacio urbano y la creación de los imaginarios correspondientes. Además intenta demostrar que los más importantes supuestos que están detrás de la explicación de ese proceso se han verificado en el caso de estudio de la presente obra. Puerto Vallarta. El cine en este caso particular ayudó a crear una ciudad al incidir en el sentido y la dirección de las transformaciones que estaban teniendo lugar en una hermosa villa de pescadores situada en el litoral del Pacífico mexicano. Cuando se habla del cine evidentemente la referencia es la famosa cinta que se filmó en Puerto Vallarta en 1963. Tanto que a pesar de las casi seis décadas transcurridas hablar de Puerto Vallarta es referirse a la película. La noche de la iguana todavía. En las páginas de este trabajo se argumenta que el imaginario urbano surgido a partir de la histórica filmación de esta película además de contribuir a la identidad colectiva estructuró la identidad percibida del antiguo poblado y le creó a la ciudad una forma de paisaje idílico contribuyendo al mismo tiempo a la articulación del imaginario turístico del atractivo internacional de la urbe vallartense. N, 2007 La Narrativa Española de Los 80 a la Luz de la Crítica Postmodernista Francisco García-Moreno Barco, 1992 *Espanoles y extranjeros* Pedro Carrero Eras, 1990 Punto y aparte, 1989 **Deutsche Nationalbibliografie** Die deutsche Nationalbibliothek, 2007 *Libros españoles*, ISBN. , 1981 **Tren nocturno** Martin Amis, 1998-04-01 Mike Hoolihan tiene nombre de hombre voz profunda y modales que nadie definiría como femeninos pero es mujer y le gustan los hombres aunque siempre ha elegido a los que menos le convienen. Y luego ha tenido que ahogar sus tribulaciones en torrentes de alcohol. Pero en la actualidad está en dique seco pues su hijo ya no puede soportar una sola gota más de consuelo. Y como Mike también es detective en el cuerpo de policía de una ciudad americana tiene que enfrentarse ahora al peor caso de su vida sin nada que suavice un poco los atroces bordes de la realidad. Aunque como ella misma dice tras haber investigado cientos de crímenes peor es un concepto muy elástico que siempre puede dar cabida a algo más. La muerte como decía Martin Amis en Campos de Londres siempre hay una muerte es la bellísima Jennifer Rockwell hija del jefe de Mike que tenía veintisiete años era científica su área de trabajo era la astrofísica y vivía desde hacía años con Trader Faulkner un joven profesor de filosofía. Al parecer eran la pareja perfecta y no había nada que hiciera dudar de su felicidad. Hasta que un día Jennifer diez minutos después de que Trader se marchara del apartamento para dirigirse a su estudio se suicidó de tres tiros en la cabeza. El padre de la joven perfecta que ahora es una perfecta difunta no puede creer que su hija se haya suicidado y apremia a la detective para que investigue y encuentre al culpable que según él no puede ser sino Trader el compañero de su hija. Y Mike seguir paso a paso las señales que Jennifer tal vez intencionadamente ha ido dejando y que conducen a un agujero negro tan insondable como los que estudiaba la joven científica.
