The Triumphs of Eugène Valmont Robert Barr, 2020-07-17 Reproduction of the original The Triumphs of Eugene Valmont by Robert Barr *The Triumphs of Eugene Valmont* Robert Barr, 2017-10-17 The Triumphs of Eugene Valmont By Robert Barr Robert Barr - the Triumphs of Eugene Valmont Robert Barr, 2016-11-09 The Triumphs of Eugene Valmont 1906 brings together tales of the multifarious exploits of Robert Barr's elegant and cunning sleuth Valmont a brilliantly ironic parody of Sherlock Holmes Exhibiting the crucial combination of realism and imagination that characterizes the finest crime writing the stories exude playfulness and blend mystery and quasi Gothic thrills with humorous detours and romantic adventure A notable figure in 1890s literary London and a friend of Conan Doyle Barr was acutely aware of style as a form of statement and the stories are full of literary effects commentary on the detective mystery genre and Valmont's disparaging reflections on English values The Triumphs of Eugene Valmont Robert Barr, 2013-05-13 When I say I am called Valmont the name will convey no impression to the reader one way or another My occupation is that of private detective in London but if you ask any policeman in Paris who Valmont was he will likely be able to tell you unless he is a recent recruit If you ask him where Valmont is now he may not know yet I have a good deal to do with the Parisian police For a period of seven years I was chief detective to the Government of France and if I am unable to prove myself a great crime hunter it is because the record of my career is in the secret archives of Paris I may admit at the outset that I have no grievances to air The French Government considered itself justified in dismissing me and it did so In this action it was quite within its right and I should be the last to dispute that right but on the other hand I consider myself justified in publishing the following account of what actually occurred especially as so many false rumours have been put abroad concerning the case However as I said at the beginning I hold no grievance because my worldly affairs are now much more prosperous than they were in Paris my intimate knowledge of that city and the country of which it is the capital bringing to me many cases with which I have dealt more or less successfully since I established myself in London Without further preliminary I shall at once plunge into an account of the case which riveted the attention of the whole world a little more than a decade ago The year 1893 was a prosperous twelve months for France The weather was good the harvest excellent and the wine of that vintage is celebrated to this day Everyone was well off and reasonably happy a marked contrast to the state of things a few years later when dissension over the Dreyfus case rent the country in twain Newspaper readers may remember that in 1893 the Government of France fell heir to an unexpected treasure which set the civilised world agog especially those inhabitants of it who are interested in historical relics This was the finding of the diamond necklace in the Chateau de Chaumont where it had rested undiscovered for a century in a rubbish heap of an attic I believe it has not been questioned that this was the veritable necklace which the court jeweller Boehmer hoped to sell to Marie Antoinette although how it came to be in the Chateau de Chaumont no one has been able to form even a conjecture For a hundred years it was supposed that the necklace had been broken up in London

and its half a thousand stones great and small sold separately It has always seemed strange to me that the Countess de Lamotte Valois who was thought to have profited by the sale of these jewels should not have abandoned France if she possessed money to leave that country for exposure was inevitable if she remained Indeed the unfortunate woman was branded and imprisoned and afterwards was dashed to death from the third storey of a London house when in the direst poverty she sought escape from the consequences of the debts she had incurred *The Triumphs of Eugene Valmont* (1906).
