Violence Social Change Emerson Dobash:

Gender, Violence, and Justice Pamela Cooper-White, 2019-03-20 *Gender Violence and Justice* is a volume of collected essays by an expert in the field of violence against women and pastoral theology. It represents over three decades of research, advocacy, and pastoral theological reflection on the subject of sexual and domestic violence. Topics include intimate partner violence, sexual abuse and trauma, and clergy sexual misconduct. Controversial theological issues such as forgiveness and as well positive frameworks for fostering well being in families, church, and society. Framed by a foreword and an introduction that place this work in the context of new and contemporary challenges in theory and practice, these essays show an evolution of issues and frameworks for theology, care, and activism arising over time from the movement to end violence against women both within and beyond religious communities while at the same time demonstrating an unchanging core commitment to gender justice.

Next Time, She'll Be Dead Ann Jones, 2015-09-01 Whether you're an individual woman looking for help or a reader looking for the truth about the thousands of women who are battered by the men they live with, *Next Time She'll Be Dead* is the one book you should read. Gloria Steinem: At least 1 in 4 women will be abused during her lifetime; that is 25% of our mothers, daughters, sisters, partners, and friends. Thousands will be killed. As author Ann Jones observes, despite its devastation, battering is regarded not as a serious crime but instead as an inevitable problem, blandly labeled domestic violence. Stories of household assaults and murders are all over the news, but the blame is usually pinned on the woman who is said to have either provoked the attack or failed to leave. In this groundbreaking book, Jones points instead to the many factors in society that promote, trivialize, and perpetuate brutality against women: from popular psychology, academic expertise, mass media, and pop culture to the criminal justice system and the law itself. Delving deep into the history, legality, and personal politics of male violence against wives and girlfriends, *Next Time She'll Be Dead* fearlessly reframes the issue. This critically acclaimed masterwork offers productive ways of thinking and speaking about battering and explains what must be done to stop it.

Why We Harm Lois Presser, 2013-11-13 Criminologists are primarily concerned with the analysis of actions that violate existing laws. But a growing number have begun analyzing crimes as actions that inflict harm, regardless of the applicability of legal sanctions. Even as they question standard definitions of crime, law-breaking scholars of crime have few theoretical frameworks with which to understand the etiology of harmful action. In *Why We Harm*, Lois Presser scrutinizes accounts of acts as diverse as genocide, environmental degradation, war, torture, terrorism, homicide, rape, and meat eating in order to develop an original theoretical framework with which to consider harmful actions and their causes. In doing so, this timely book presents a general theory of harm, revealing the commonalities between actions that impose suffering and cause destruction. Harm is built on stories in which the targets of harm are reduced to one-dimensional characters: sometimes a dangerous foe, sometimes much more benign, but still a projection of our own concerns and interests. In our stories of harm, we are licensed to do the harmful deed and at the same time are powerless to act differently. Chapter

by chapter Presser examines statements made by perpetrators of a wide variety of harmful actions Appearing vastly different from one another at first glance Presser identifies the logics they share that motivate legitimize and sustain them From that point she maps out strategies for reducing harm

Governance Feminism Janet Halley,Prabha Kotiswaran,Rachel Rebouché,Hila Shamir,2019-03-26 An interdisciplinary multifaceted look at feminist engagements with governance across the global North and global South Governance Feminism Notes from the Field brings together nineteen chapters from leading feminist scholars and activists to critically describe and assess contemporary feminist engagements with state and state like power Gathering examples from North America South America Europe Asia and the Middle East it complements and expands on the companion volume Governance Feminism An Introduction Its chapters argue that governance feminism GF is institutionally diverse and globally distributed emerging from traditional sites of state power as well as from various forms of governance and operating at the grassroots level in the private sector in civil society and in international relations The book begins by confronting the key role that crime and punishment play in GFeminist projects Here contributors explore the ideological and political conditions under which this branch of GF became so robust and rethink the carceral turn Other chapters speak to another face of GFeminism feminists finding in mundane and seemingly unspectacular bureaucratic tools leverage to bring about change in policy and governance practices Several contributions highlight the political strategic and ethical challenges that feminists and LGBT activists must negotiate to play on the governmental field The book concludes with a focus on feminist interventions in postcolonial legal and political orders looking at new policy spaces opened up by conflict postconflict and occupation Providing a clear cross cutting critical lens through which to map developments in feminist governance around the world Governance Feminism Notes from the Field makes sense of the costs and benefits of current feminist realities to reimagine feminist futures Contributors Libby Adler Northeastern U Aziza Ahmed Northeastern U Elizabeth Bernstein Barnard College Amy J Cohen Ohio State U Karen Engle U of Texas at Austin Jacob Gersen Harvard U Leigh Goodmark U of Maryland Aeyal Gross Tel Aviv U Aya Gruber U of Colorado Boulder Janet Halley Harvard U Rema Hammami Birzeit U Palestine Vanja Hamzi U of London Isabel Cristina Jaramillo Sierra Prabha Kotiswaran King s College London Maleiha Malik King s College London Vasuki Nesiah New York U Dianne Otto Melbourne Law School Helen Reece Darren Rosenblum Pace U Jeannie Suk Gersen Harvard U Mariana Valverde U of Toronto

The Social Science Encyclopedia Adam Kuper,2003-12-16 The Social Science Encyclopedia first published in 1985 to acclaim from social scientists librarians and students was thoroughly revised in 1996 when reviewers began to describe it as a classic This third edition has been radically recast Over half the entries are new or have been entirely rewritten and most of the balance have been substantially revised Written by an international team of contributors the Encyclopedia offers a global perspective on the key issues within the social sciences Some 500 entries cover a variety of enduring and newly vital areas of study and research methods Experts review theoretical debates from neo evolutionism and rational choice theory to poststructuralism

and address the great questions that cut across the social sciences What is the influence of genes on behaviour What is the nature of consciousness and cognition What are the causes of poverty and wealth What are the roots of conflict wars revolutions and genocidal violence This authoritative reference work is aimed at anyone with a serious interest in contemporary academic thinking about the individual in society Perspectives on Violence Elizabeth Anne Stanko,1994 These papers consider the question of violence in criminal justice and the larger society and whether the work of criminal justice professionals contributes to its minimization **Locating Feminist Activism** Anne Enke,1999 **Women's Studies Index** ,1993 **Brigham Young University Law Review** ,2004 Current Politics & Economics of China ,1999 Paperbound Books in Print 1995 Reed Reference Publishing,R5ference Reed,1995-12 **Sociological Abstracts** ,1993 *Taking Sides Reference Library* Robert Ted D Delcampo,Scholastic Library Publishing,1995-12 Examines both sides of the issues of childhood and society Includes working mothers older women as parents transracial adoption gender differences early childhood spanking only children divorce television middle childhood boys vs girls latchkey children home schooling adolescence bilingual education values abstinence education in sex education gangs and more Dictionary of American History Robert H. Ferrell,Joan Hoff,1996 In 757 articles of which 469 are on new topics this supplement attempts to cover recent monumental changes in American civilization from the impact of foreign affairs through domestic political events Supreme Court decisions medical and scientific discoveries social changes popular cultural evolution and religious developments **Protest, Policy, and the Problem of Violence Against Women** S. Laurel Weldon,2002 S Laurel Weldon provides a comparative study of governmental response to the problem of violence against women in thirty six democracies In addition to examining the causes and consequences of the inadequate public policies dealing with violence against women she offers practical suggestions about how to improve them Factors Contributing to a Mother's Ability to Recognise the Incestuous Abuse of Her Child Patricia Bell,1998 **2006 Edward V. Sparer Symposium** ,2006 Current Publications in Legal and Related Fields ,1992 **Women and International Human Rights Law: Introduction to women's human rights issues** Doreen M. Koenig,1999 Contents *Criminal Law Forum* ,1992
