

Young people, pornography and violence against women

Change the story: A shared framework for the primary prevention of violence against women and their children in Australia demonstrates how gender inequality is a key driver of violence against women.

There are four expressions of gender inequality that consistently predict higher rates of violence against women. These are reflected in pornography in the following ways:

1. Rigid gender roles and stereotypes

Pornography generally depicts men as dominant and controlling, while women are submissive and eager to comply with the demands of male characters. Research has found links between the use of pornography and ideas supporting male dominance and female sexual objectification.

2. Men's control and limits to women's independence

Pornography often prioritises male characters' preferences and depicts females being forced or expected to perform sex acts. Research shows young people watching pornography more often were more likely to believe women should learn to obey men, and that things are better when men are in charge.

3. Condoning of violence against women

Pornography routinely depicts aggression and violence against women, normalising and trivialising this kind of behaviour. Pornography consumption has been found to be associated with sexual aggression and victim-blaming attitudes.

4. Male peer relationships emphasising aggression and disrespect towards women

Watching pornography in a group can be a form of 'male bonding' that is built on an acceptance or enjoyment of aggression towards women. Additionally, pornography itself often depicts negative male peer relations, such as groups of men having sex with one woman and bonding via their aggressive or degrading behaviour toward her.

Violence Against Women In Pornography

Ronald B. Flowers

Violence Against Women In Pornography:

Violence against Women in Pornography Walter DeKeseredy, Marilyn Corsianos, 2015-11-19 Violence against Women in Pornography illuminates the ways in which adult pornography hurts many women both on and off screen A growing body of social scientific knowledge shows that it is strongly associated with various types of violence against women in intimate relationships Many women who try to leave abusive and or patriarchal men also report that pornography plays a role in the abuse inflicted on them by their ex partners On top of these harms male pornography consumption is strongly correlated with attitudes supporting violence against women Many researchers practitioners and policy makers believe that adult pornography is a major problem and offer substantial evidence supporting this claim Violence against Women in Pornography unlike books written mainly for scholarly and general audiences specifically targets students enrolled in undergraduate criminology deviance women s studies masculinities studies human sexuality and media studies courses Thoughtful discussion questions are placed at the end of each chapter and appropriate PowerPoint slides and suggestions for classroom exercises will be available to aid student understanding The main objective of this book is to motivate readers to think critically about adult pornography and to take progressive steps individually and collectively to curb the production and consumption of hurtful sexual media including that from the dark side of the Internet **Pornography and Violence against Women** Walter S. DeKeseredy, Marilyn Corsianos, 2015-02-15 Pornography and Violence against Women **A Companion to Applied Ethics** R. G. Frey, Christopher Heath Wellman, 2008-04-15 Applied or practical ethics is perhaps the largest growth area in philosophy today and many issues in moral social and political life have come under philosophical scrutiny in recent years Taken together the essays in this volume including two overview essays on theories of ethics and the nature of applied ethics provide a state of the art account of the most pressing moral questions facing us today Provides a comprehensive guide to many of the most significant problems of practical ethics Offers state of the art accounts of issues in medical environmental legal social and business ethics Written by major philosophers presently engaged with these complex and profound ethical issues **Pornography** Andrea Dworkin, 2025-02-25 Andrea Dworkin s 1981 critique of pornography is an important and urgent document about how the culture consumes and manipulates images of women Essential and discomfiting reading in a social media era where women s bodies are being commodified and displayed more than ever Andrea Dworkin s seminal 1981 work on the issue of pornography argues that the industry serves only to harm and oppress women Her discussion of pornography as an outgrowth of the power that men exert over women the power of owning the power of money and the power of sex among others still blazes with its clarity and immediacy and illustrates how these inequities while displayed in raw form in pornography are endemic in all media With a lively and deeply compelling voice Andrea Dworkin succinctly outlines her anti pornography stance Though the media environment may have changed this passionately and powerfully argued classic remains a relevant and crucial contribution to the area of feminist studies

Dangerous Relationships Diana E. H. Russell, 1998-05-13 In this uncompromising volume Diana E Russell examines the relationships between pornography misogyny and rape and contends that these relationships are indeed dangerous to women After defining pornography and considering the various types of pornographic material available the author demonstrates that hatred of women is a predominant aspect of pornography and that racist undercurrents are often exploited in visual pornography of all types She then provides a rich body of statistical evidence that supports the argument that pornography is a cause of rape

Against Pornography Diana E. H. Russell, 1993 Because Dr Diana Russell believes that seeing pornography is the most powerful evidence of the woman hatred inherent in it she reprinted over 100 examples of pornographic photographs in this book She chose to risk being sued for publishing these pictures because she was unwilling to obtain permission from the pornographers Against Pornography also contains a succinct summary of some of the major scientific research on this subject and an explication of her original and convincing theory of how pornography causes rape

The Afterglow of Women's Pornography in Post-Digital China K. Jacobs, 2015-06-03 Chinese artists activists and netizens are pioneering a new order of pornographic representation that is in critical dialogue with global entertainment media Jacobs examines the role of sex positive feminists and queer communities to investigate pornography's afterglow a state of crisis and decay within digital culture

Handbook of Sexual Assault and Sexual Assault Prevention William T. O'Donohue, Paul A. Schewe, 2019-10-18 This timely handbook provides in depth overviews of the myriad and multi faceted issues surrounding sexual assault and its pervasiveness in today's culture Drawing for multiple viewpoints and experts the book is divided into seven comprehensive sections covering such topics as risk factors varying theoretical frameworks prevention and intervention and special populations Within these sections the authors provide historical background as well as the latest research and offer treatment outcomes and potentials Selected topics covered in this book include Feminist theories of sexual assault Social and economic factors surrounding sexual violence Mental physiological physical and functional health concerns of victims including PTSD Major categories of sexual offenders Treatment of sexual assault survivors in the LGBTQ community Procedural processes related to sexual assault investigation and adjudication within the criminal justice system The Handbook of Sexual Assault and Sexual Assault Prevention is a vital book that will appeal to a broad spectrum of students researchers practitioners and clinicians in the fields of psychology psychiatry community mental health and sociology

Living With Contradictions Alison M Jaggar, 2018-03-08 This book explores some of the moral and public policy issues that divide Western especially North American feminists as the twentieth century ends and the twenty first century begins It represents an in house discussion among feminists and their social ethics

Pornography and Genocide Thomas Trzyna, 2019-06-14 One out of every thirty five women born is killed for cultural or sexual reasons In the twentieth century more women were killed for those reasons than all the people who died in wars Women everywhere live in the higher stages of Gregory Stanton's eight stage genocide scale Pornography contributes to the peril whether in the form

of battlefield rape films the rape chants of frat boys or the massive distribution of violent images on the web and through other media The United Nations definition of genocide must be changed to recognize women as a targeted group Pornography and Genocide pulls together the evidence from legal scholars and a myriad of contemporary studies and news accounts from around the world It is time to face the war against women

Pornography and Sexual Violence Minneapolis (Minn.). City Council. Government Operations Committee,1988 The complete transcript of Public Hearings on Ordinances to Add Pornography as Discrimination Against Women Minneapolis City Council Government Operations Committee December 12 and 13 1983

Anti-Porn Julia Long,2012-09-13 Anti porn feminism is back Countering the ongoing pornification of Western culture and society with lads mags on the middle shelf and lap dancing clubs in residential areas anti porn movements are re emerging among a new generation of feminist activists worldwide This essential new guide to the problems with porn starts with a history of modern pro and anti political stances before examining the ways in which the new arguments and campaigns around pornography are articulated deployed and received Drawing on original ethnographic research it provides an in depth analysis of the groups campaigning against the pornography industry today as well as some eye opening facts about the damage porn can do to women and society as a whole This unique and inspiring book explains the powerful comeback of anti porn feminism and it controversially challenges liberal perspectives and the mainstreaming of a porn culture that threatens to change the very nature of our intimate relationships

Pornography and Violence Against Women and Children Chris Atmore,Women Against Pornography (Organization : N.Z.),1986

The Gender of Desire Michael S. Kimmel,2012-02-01 Here one of the world s pioneers in the field of masculinity studies explores the construction of male sexuality pornography and sexual violence Michael S Kimmel analyzes what male sexuality is where it comes from how it works what affects it pornography s impact on it what fantasies men have about sex what people think about sex and how male ideas about sex affect what men actually do Provocative and wide ranging these essays make important contributions to sociology queer theory American studies history and studies of gender sexuality and gay and lesbian issues

The Inseparability of Law and Morality Ellis Washington,2002-06-28 The Inseparability of Law and Morality is an opus based entirely on Natural law the original philosophy of the Constitutional Framers Ellis Washington shows how and where America went wrong in separating law from morals by applying Natural law precepts to a wide variety of contemporary legal moral political social and philosophical problems Washington exposes the sophistry of former and current legal and philosophical approaches to the law like democracy positive law utilitarianism relativism egalitarianism secularism liberalism feminism progressivism pragmatism materialism ideas which have in modern times proven themselves to be wholly untenable dangerous and inevitably lead to a corruption of societal morality He concludes that the only solution to regain public civility and respect for the rule of law is for America to return to the ancient notions of Natural law and the original intent of the Constitutional Framers

Writing the Women's Movement Mala Khullar,2005 Contributed articles

presented earlier at several seminars on women's studies and feminism in India **Without Apology** Cindy Jenefsky, 2019-03-20 This is the first ever book length analysis of Dworkin's feminist politics and the first critical analysis to examine her controversial political ideas in light of the literary dimensions of her prose Cindy Jenefsky with Ann Russo looks at Dworkin's major nonfiction works including *Woman Hating Pornography* *Men Possessing Women* and *Intercourse*

Violence Against Women Carolyn F. Wilson, 1981 *International Journal of Women's Studies*, 1985 *Media Report to Women* Sheila Jean Gibbons, 1983
