Occupational Therapy Interventions Catherine Meriano, Donna Latella, 2024-06-01 Occupational Therapy Interventions: Functions and Occupations, Second Edition, is a unique and comprehensive text intended to provide the essential information required for occupational therapy practice in the physical approach to the intervention process. This practical and user-friendly text offers an entry-level approach to bridging the American Occupational Therapy Association's Occupational Therapy Practice Framework, Third Edition, with everyday practice, specifically concerning interventions. Dr. Catherine Meriano and Dr. Donna Latella focus each chapter of the text on an area of occupation, evidence-based practice, current intervention options, as well as a specific hands-on approach to grading interventions. Although the focus of the text is the intervention process, Occupational Therapy Interventions: Functions and Occupations, Second Edition, also includes a detailed Evaluation Grid, which offers a unique approach to choosing occupational therapy evaluations. New in the Second Edition: New evidence-based articles have been added to each of the chapters. Some new, rewritten, and expanded chapters. Updated references throughout. Includes sample exam questions with each chapter. Updated key concepts and incorporated new documents such as AOTA's Occupational Therapy Practice Framework, Third Edition; AOTA's Occupational Therapy Code of Ethics; AOTA's Guidelines for Supervision Roles and Responsibilities. During the delivery of occupational therapy services, included with the text are online supplemental

materials for faculty use in the classroom With the incorporation of new evidence based concepts updates to reflect the AOTA's newest documents and new hands on approaches to interventions Occupational Therapy Interventions Functions and Occupations Second Edition should be by the side of every occupational therapy student and entry level practitioner *The Comprehensive Autism Planning System (CAPS)* Shawn Henry, Brenda Smith Myles, 2024-08-06 The Comprehensive Autism Planning System for Individuals CAPS is a reflection of its creator In his role as a state and national leader Shawn Henry serves as an advocate for autistic individuals Shawn and co author Brenda Smith Myles clearly describe each element of the CAPS model in a well organized text Throughout the book the authors and expert contributors highlight a variety of evidence based strategies that correspond to each area of the CAPS The CAPS model illustrates their ability to create meaningful change through realistic and practical means It's a simple yet powerful system This innovative approach helps teachers and educational teams plan and implement a student's education across the school including the Individualized Education Program IEP and the curriculum relevant to the student It takes the team through the process of planning out the goals objectives to be targeted in each activity of the day the modifications and accommodations that should be provided to support the student in each activity the sensory supports needed to help the student stay engaged and the communication and social supports for successful learning It shows the type of data to collect for each area and helps to note what reinforcers have been shown to be successful While this system was developed for use with individuals on the autism spectrum it can also be an essential tool for any student regardless of the types of supports and needs they have There are also vocational and transitional formats that are available for students making the transition to work The CAPS has been updated to address current trends in special education instruction and research In this edition emphasis is placed on Inclusion Successful practices that support learning for autistic students Updated evidence based practices and case studies that apply the CAPS system to post secondary education and employment Through the CAPS autistic individuals have access to meaningful instruction that will allow them to reach their potential **A Guardian's Guide to Fostering Exceptional Children:**
