Women in Blue Postcard Book: 30 Post Cards Laughing Elephant, Blue Lantern Studio, 2005-07-01 Few colors have as paradoxical associations as blue It evokes positive qualities such as serenity happiness and purity yet feeling blue is a euphemism for sadness Blue is masculine yet pretty dreary and cheerful The blues is both a state of mind and genre of music that for all its stark sadness evokes profound joy A person can be a blue blood a bluestocking a bluenose and true blue without conflict or redundancy Blue is all around us the color of sunny days and the most inviting seas yet is also uncommon in nature Periwinkle navy ultramarine cobalt baby sky slate cerulean indigo azure sapphire royal robin s egg cornflower turquoise and Prussian What color commands the range of shades that blue does In keeping with blue s complexity we ve selected a wide range of images of women clad in blue for this collection of postcards Pin up girls and Pre Raphaelite maidens share these pages with women advertising stockings and orange soda They all wear blue in all its glory

American Woman Suffrage Postcards Kenneth Florey, 2016-04-29 American women s suffrage activists were fascinated with suffrage themed postcards They collected them exchanged them wrote about them used them as fundraisers and organized postcard day campaigns The cards they produced were imaginative and ideological advancing arguments for the enfranchisement of women and responding to antisuffrage broadsides Commercial publishers were also interested in suffrage cards recognizing their profit potential Their products though were reactive rather than proactive conveying stereotypes they assumed reflected public attitudes often negative towards the movement Cataloging approximately 700 examples this study examines the visual rhetoric of suffrage postcards in the context of the movement itself and as part of the general history of postcards
