

~~Dear~~ Jan 4, 2008

Dear LAUREN,

This is just a little note to let you know how truly special you are. Over the years I've seen you treat all of those around you with so much consideration and care. It hasn't gone unnoticed. I hope that from your enthusiasm to help others you have in the process learned to do the same for yourself because you definitely deserve it! I'm honored to be your friend, and I believe in you!!!

Gospel Women Richard Buckham, 2002-05-15 There have been many studies of the women in the Gospels but this is a new kind of book on the subject Rather than offering a general overview of the Gospel women or focusing on a single theme Richard Bauckham studies in great depth both the individual women who appear in the Gospels and the specific passages in which they appear This unique approach reveals that there is much more to be known about such women than previous studies have assumed Employing historical and literary readings of the biblical texts Bauckham successfully captures the particularity of each woman he studies An opening

look at the Old Testament book of Ruth introduces the possibilities of reading Scripture from a woman's perspective. Other studies examine the women found in Matthew's genealogies: the prophet Anna, Mary of Clopas, Joanna, Salome, and the women featured in the Gospel resurrection narrative. A number of these women have never been the subject of deep theological enquiry. Unlike most recent books, Bauckham's work is not dominated by a feminist agenda. It does not presume in advance that the Gospel texts support patriarchal oppression, but it does venture some of the new and surprising possibilities that arise when the texts are read from the perspective of their female characters. Astute, sensitive to issues of gender, and written by one of today's leading theologians, *Gospel Women* will be of interest to a wide range of readers. *Female Piety and the Catholic Reformation in France* Jennifer Hillman, 2015-10-06 Hillman presents a fascinating account of the role that women played during the Catholic Reformation in France. She reconstructs the devotional practices of a network of powerful women, showing how they reconciled Catholic piety with their roles as part of an aristocratic elite, challenging the view that the Catholic Reformation was a male concern.
