Word Hunters Hannah Sarvasy, Diana Forker, 2018-02-15 In *Word Hunters*, eleven distinguished linguists reflect on their career-spanning linguistic fieldwork. Over decades, each has repeatedly stood up to physical, intellectual, interpersonal, intercultural, and sometimes political challenges in the pursuit of scientific knowledge. These scholar-explorers have enlightened the world to the inner workings of languages in remote communities of Africa, West, East, and South America, the Arctic, Australia, the Caucasus, Oceania, Siberia, and East Asia. They report some linguistic eureka moments but also discuss cultural missteps, illness, and the other challenges of

pursuing linguistic data in extreme circumstances They write passionately about language death and their responsibilities to speech communities The stories included here the stuff of departmental and family legends are published publicly for the first time

For the Love of God's Word Andreas J. Köstenberger , Richard D. Patterson , 2015-05-27 An introduction to a clear method of biblical interpretation For

the Love of God's Word is an abridged less technical version of K stenberger and Patterson's acclaimed Invitation to Biblical Interpretation. Students, teachers, and pastors alike will find this introduction to biblical hermeneutics to be an accessible resource with both breadth and substance. Built on the premise that every passage requires careful scrutiny of its historical setting, literary dimension, and theological message, this volume teaches a simple threefold method that is applicable to every passage of Scripture regardless of genre. In addition, the book sets forth specific strategies for interpreting the various genres of Scripture from poetry to epistle to prophecy. A final chapter is devoted to helpful Bible study resources that will equip the reader to apply Scripture to life. This book will serve as a standard text for interpreting Scripture that is both academically responsible and accessible for pastors, teachers, and college students. This volume will enable students of Scripture to grow in love for God's Word as they grow in the disciplines of study and discernment. **Linguistic and Non-Linguistic**

Knowledge for L2 Listening Comprehension Dr. Ramli, S.S., M.Pd., **Prayer and the Word of God** Cynthia Hyle Bezek, 2014-06-04. Connect the dots between prayer and God's Word. Many studies are aimed at gaining information about the Bible or a spiritual topic. Prayer and the Word of God aims to transform how you relate with God through prayer. It offers practical, hands-on opportunities for you to grow deeper in your personal relationship with Jesus Christ through prayer. In other words, you will not learn stuff about prayer but how to pray. In six lessons, Prayer and the Word of God will give you a greater understanding of the ways God speaks both through His written Word and His spoken word. Its format weaves Bible study with experience in a way that will increase your passion both for the Word of God and prayer.
