Workable Sisterhood The Political Journey Of Stigmatized Women With HIV/AIDS

Michele Tracy Berger

Workable Sisterhood The Political Journey Of Stigmatized Women With HIVaids:

Workable Sisterhood Michele Tracy Berger, 2010-07-28 *Workable Sisterhood* is an empirical look at sixteen HIV positive women who have a history of drug use conflict with the law or a history of working in the sex trade What makes their experience with the HIV AIDS virus and their political participation different from their counterparts of people with HIV Michele Tracy Berger argues that it is the influence of a phenomenon she labels intersectional stigma a complex process by which women of color already experiencing race class and gender oppression are also labeled judged and given inferior treatment because of their status as drug users sex workers and HIV positive women The work explores the barriers of stigma in relation to political participation and demonstrates how stigma can be effectively challenged and redirected The majority of the women in Berger s book are women of color in particular African Americans and Latinas The study elaborates the process by which these women have become conscious of their social position as HIV positive and politically active as activists advocates or helpers She builds a picture of community based political participation that challenges popular medical and scholarly representations of crack addicted prostitutes and HIV positive women as social problems or victims rather than as agents of social change Berger argues that the women s development of a political identity is directly related to a process called life reconstruction This process includes substance abuse treatment the recognition of gender as a salient factor in their lives and the use of nontraditional political resources

Situating Intersectionality Angelia R. Wilson, 2013-09-25 A new generation of political science scholars who are comfortable employing intersectional analysis are emerging and their work hones in directly on the complexity of politics governance and policy making in an increasingly small technologically connected ideologically nuanced global Public Square

Solidarity Politics for Millennials A. Hancock, 2011-08-29 This book takes the political theory of intersectionality the most cutting edge approach to the politics of gender race sexual orientation and class and introduces it to the general public for the first time

Intersectional (Feminist) Activisms Serena D'Agostino, Nadia E. Brown, 2024-08-16 This book includes essays that directly uncover how power asymmetries and related forms of marginalization and oppression function in the political and policy arenas with a special emphasis on the intersection of several systems of subordination This edited volume tackles two main questions first what are the main claims struggles and possibilities of contemporary intersectional feminisms and second how shall we as scholars address intersectional feminist activism in our research theoretically methodologically and empirically These issues are debated from several intersectional feminist perspectives locations and positionalities The globally oriented and empirically grounded scope of this volume is undeniable This book goes beyond the Western hegemony in intersectionality related research and knowledge production bringing in practices experiences and critical perspectives of intersectional feminist scholars and activists who are not necessarily located in the most privileged social political and financial milieus This book will be of interest to students and scholars from across the social sciences and humanities with an interest in intersectionality gender

feminism racism LGBT and queer studies activism and social movement studies The chapters in this book were originally published as a special issue of Journal of Women Politics and Policy **Transforming Scholarship** Michele Tracy Berger, Cheryl Radeloff, 2011-05-20 A comprehensive student guide for women s and gender studies that will help undergraduates to critically assess their skills and knowledge communicate effectively about the value of their degree and consider ways to apply their strengths in the real world **Doing Gender Diversity** Rebecca F. Plante, Lis M.

Mau, 2018-04-17 This cutting edge reader demonstrates the multiple ways in which the universe of gender is socially culturally and historically constructed The selections focus on gender itself how gender operates socioculturally exists functions and is presented in micro and macro interactions In order to avoid balkanization the authors examine the various ways in which culture intersects with individuals to produce the range of presentations of self that we call gender from people born male who become adult men to lesbian women to transmen and everyone else on the diverse gender spectrum

Stigma, Discrimination and Living with HIV/AIDS Pranee Liamputtong, 2013-04-22 Up until now many articles have been written to portray stigma and discrimination which occur with people living with HIV AIDS PLWHA in many parts of the world But this is the first book which attempts to put together results from empirical research relating to stigma discrimination and living with HIV AIDS The focus of this book is on issues relevant to stigma and discrimination which have occurred to individuals and groups in different parts of the globe as well as how these individuals and groups attempt to deal with HIV AIDS The book comprises chapters written by researchers who carry out their projects in different parts of the world and each chapter contains empirical information based on real life situations This can be used as an evidence for health care providers to implement socially and culturally appropriate services to assist individuals and groups who are living with HIV AIDS in many societies The book is of interest to health care providers who have their interests in working with individuals and groups who are living with HIV AIDS from a cross cultural perspective It will be useful for students and lecturers in courses such as anthropology sociology social work nursing public health and medicine In particular it will assist health workers in community health centres and hospitals in understanding issues related to HIV AIDS and hence provide culturally sensitive health care to people living with HIV AIDS from different social and cultural backgrounds The book is useful for anyone who is interested in HIV AIDS related stigma and discrimination in diverse social and cultural settings ,

Black Women's Health Michele Tracy Berger, 2021-04-06 This book explores the meaning and practice of health in the lives of southern African American women and their adolescent daughters *Authoritarian Absorption* Yan Long, 2024-11-01 *Authoritarian Absorption* unveils the transformation of China s pandemic response system from 1978 to 2018 through its battle against HIV AIDS Chinese bureaucrats facing pressure from foreign agencies especially those of the US and UK and grassroots social movements developed ways to turn epidemics into opportunities for enhancing domestic control and international stature Drawing on longitudinal ethnographic research Yan Long reveals how Western liberal interventions can

simultaneously bolster public health institutions and reinforce authoritarian power a development pivotal to China's subsequent handling of COVID 19 and instrumental in advancing the rights of groups like gay men
