Hall, Mardia J. Bishop, 2009-10-27 This revealing work looks at representations of motherhood from a wide range of pop culture sources to explore larger questions about the image and self image of mothers in the United States How has the popularity of Gilmore Girls influenced perspectives on teenage pregnancies How did the mother in law assume such monstrous proportions Did the Republicans view of motherhood and their continual hectoring of Hillary Clinton for putting ambition ahead of family cost them the 2008 election Mommy Angst Motherhood in American Popular Culture considers questions like these as it probes our country's views on mothers and how those views shape and are shaped by the habitually oversimplified portrayals of mothers in pop culture politics and the media Mommy Angst gets at the heart of America's anxious ambivalence toward mothers whether sanctifying them vilifying them or praising the ideal of motherhood while thoroughly undervaluing the complexities of their lives and their contributions to family and society To highlight the many sides of motherhood the collection contrasts the lives of a diverse range of real moms with their pop culture representations including Jewish mothers Cuban mothers teenage mothers mothers with disabilities working versus stay at home moms and more *An Infinity of Interpretations* Ph. D. Ronald E. Kimmons, 2010-03 In *An Infinity of Interpretations* Dr Kimmons explores a simple thesis Life has no meaning except what we assign to it Dr Kimmons simple thesis helps us begin to understand why there is such a variety of interpretations of just about everything encountered in modern times including ideas and behavioral phenomena from politics science social science entertainment and religion Dr Kimmons proposes that most of what we want to accomplish in this lifetime is driven not by a quest for money power sex glory religion or objective knowledge Rather what we want to accomplish in this lifetime is driven by our desire to understand justify and perpetuate our life While including bits and pieces of his own life story along with social commentary about a variety of matters taking place in these times in this book Dr Kimmons addresses the origins of his thesis and uses Freud and White as part of a

theoretical framework for his thesis The core of Dr Kimmons book however is his attempt to illustrate how individuals may actualize themselves through completely different processes but all with the same ultimate goal or end in mind To understand justify and perpetuate one s life Is it true that there are few if any absolutes in this world Dr Kimmons seems to believe that and through his examination of a simple thesis encourages us to proceed carefully in this life lest we offend life itself

Guilty Ann Coulter,2009-11-10 Who are the victims here To hear liberals tell it you d think they do nothing but suffer at the hands of ruthless entities like the Republican Attack Machine and Fox News Really It s just another instance of the Big Lie of course In Guilty Ann Coulter explodes this myth to reveal that when it comes to bullying no one outdoes the Left For instance The myth of the Republican Attack Machine The most amazing thing liberals have done is create the myth of a compliant right wing media with Republicans badgering baffled reporters into attacking Democrats It s so mad it s brilliant Brave liberals In addition to being beautiful compassionate tribunes of the downtrodden liberals are brave I know that because they re always telling me how brave they are Obambi s luck While B Hussein Obama piously condemned attacks on candidates families his media and campaign surrogates ripped open the court sealed divorce records of his two principal opponents in his Senate race in Illinois One recurring truth about liberals says Coulter is that they viciously attack all while wailing that they are the true victims With Guilty a shockingly specific catalog of offenses that liberals would rather we forget Ann Coulter presents exhibits A through Z
