Handbook of Research on Contemporary Storytelling Methods Across New Media and Disciplines Mih?e?, Lorena Clara, Andreescu, Raluca, Dimitriu, Anda, 2021-01-15 Stories are everywhere around us from the ads on TV or music video clips to the more sophisticated stories told by books or movies Everything comes wrapped in a story and the means employed to weave the narrative thread are just as important as the story itself In this context there is a need to understand the role storytelling plays in contemporary society which has changed drastically in recent decades Modern global society is no longer exclusively dominated by the time tested narrative media such as literature or films because new media such as videogames or social platforms have changed the way we understand create and replicate stories The Handbook of Research on Contemporary Storytelling Methods Across New Media and Disciplines is a comprehensive reference book that provides the relevant theoretical framework that concerns storytelling in modern society as well as the newest and most varied analyses and case studies in the field The chapters of this extensive volume follow the construction and interpretation of stories across a plethora of contemporary media and disciplines By bringing together radical forms of storytelling in traditional disciplines and methods of telling stories across newer media this book intersects themes that

include interactive storytelling and narrative theory across advertisements social media and knowledge sharing platforms among others It is targeted towards professionals researchers and students working or studying in the fields of narratology literature media studies marketing and communication anthropology religion or film studies Moreover for interested executives and entrepreneurs or prospective influencers the chapters dedicated to marketing and social media may also provide insights into both the theoretical and the practical aspects of harnessing the power of storytelling in order to create a cohesive and impactful online image

The Photo Scribe Denis Ledoux,2008 The Stringer (Uncovering the Man Behind the Iconic Napalm Girl Photo) Henrietta P. Jenson,2025-11-08 A photograph can change the course of history But what if the history we thought we knew isn't the whole story In this gripping investigative deep dive The Stringer uncovers the shocking claims behind one of the most iconic and haunting images ever captured the Napalm Girl photo For decades Nick Ut has been credited as the photographer who captured the agonizing moment of Phan Thi Kim Phuc a young girl burned by napalm during the Vietnam War Yet a new revelation threatens to rewrite everything we thought we knew about this globally recognized image Who truly took the photograph Was it Nick Ut the Associated Press photographer hailed as the hero of the moment or was it the overlooked underappreciated Vietnamese freelancer Nguyen Thanh Ngh who risked his life on the frontlines but remained uncredited for his work The documentary The Stringer ignites a fierce debate one that delves deep into the ethics power dynamics and unspoken truths of war journalism The answers may forever alter our understanding of this defining image of the Vietnam War In The Stringer you will uncover

- 1 The story behind the Napalm Girl photograph and its far reaching impact on the Vietnam War and the global anti war movement
- 2 The secrets hidden behind the camera Who was really behind the lens and why has the truth been obscured for decades
- 3 The powerful forensic analysis of the photograph itself can science finally answer the question of authorship
- 4 The untold struggles of local photojournalists like Ngh whose contributions have often been ignored in favor of their Western counterparts
- 5 The deeply emotional toll that war photography takes on both photographers and their subjects and the sacrifices made for the sake of history

This book is not just about a photograph it is about the politics of memory the fight for recognition and the personal cost of bearing witness to the world's most brutal conflicts If you've ever been moved by a photo or if you've ever questioned the stories told by the media The Stringer will open your eyes to the hidden narratives that shape our understanding of history A Must Read for
