Unveiled At Last Discover Gods Hidden Message From Genesis To Revelation:

Unveiled at Last Bob Sjogren, 1992 Read the Bible as one book with one introduction one story and one conclusion Bob Sjogren unlocks the unifying theme of Scripture from Genesis to Revelation God redeeming people from every tongue tribe and nation Missiological Hermeneutics Shawn B. Redford, 2012-10-18 The first is a historical case considering the missional and theological hermeneutics employed when addressing African polygamy For the most part authors addressing polygamy have failed to consider God s missional response to polygamists in order to buttress their own convictions regarding African polygamy As such authors have not typically utilized a missional hermeneutic when trying to address polygamy Instead they have based their arguments on the false assumption that a given theological stance is the starting point for addressing the practice The second case study considers the role of mission praxis in an Islamic context related to missiological hermeneutics The case study demonstrates the impact of modern day mission practice especially when it correlates closely with the missionary dynamics in a given portion of Scripture *A Cat & Dog Look at the Cross* Bob Sjogren, Kevin M. Kimbrough, 2011-09-16 Here Kevin Kimbrough joins Bob Sjogren in his crusade against me centered feline thinking this time applying it to our view of the cross What would change the authors ask if we began to see Christ s death as more than a fix for our personal sins but as a matter of the Master s glory Missional Moves Rob Wegner, Jack Magruder, 2012-09-25 From saved souls to saved wholes from transactional to transformational this book describes fifteen paradigm shifts in how gospel driven Christian leaders are thinking about churches and ministry in today s world The church was never designed to be a fortress for the righteous but a flood of revolutionaries bringing the Good News of the Kingdom to broken lives and broken communities in a broken world Today millions of Christians are awakening to the holism or wholeness of the gospel call expanding their understanding of church from an institution to a movement Recognizing the Church s past missteps and re envisioning its role in modern society Missional Moves will fundamentally alter your understanding of the church and how its mission is lived out Rob Wegner and Jack Magruder are church founders and Christian thought leaders who will walk you through three distinct categories of changes that today s churches have to understand in order to have the greatest positive impact The paradigm shift of our missional imagination The centralized shift of our local church mission field The decentralized shift of the global family of Christ If this calling toward movement and transformation is to be realized it will require some earth shaking shifts in our concept of the evangelistic mission Missional Moves This book provides a plan of action for your church that will empower you to unleash each member on a mission both locally and globally *Evangelism and Missions* Ronald Blue, 2013-09-17 Working on the premise that evangelism is the main mission of God s people author Ron Blue challenges Christians to honor the Great Commission at home and around the world Giving practical strategies for saving the lost this volume of the Swindoll Leadership Library is a must read for those committed to the godly mission of evangelism Daring to Live on the Edge Loren Cunningham, 1991

Loren Cunningham's dream began with a vision waves of young people moving out across the continents announcing the Good News of Jesus Christ. Decades later, Loren's vision has grown into an interdenominational movement of Christians from around the world who are dedicated to presenting the gospel to this generation. Loren speaks and teaches internationally and his missionary travels have taken him to every nation on earth. Loren Cunningham illustrates that trusting God in every area, including finances, is not just for those Christians called into full-time ministry. Every Christian, regardless of vocation, can enter into the adventure of living by faith by firmly committing to obey God's will. A Christian who has experienced God's provision will be spoiled for the ordinary.
