Up To No Good Hardcover February 1 2009:

Up To No Good Carl Weber,2011-02-01 There is always a man around the corner Church trustee James Black should know he s usually that man carrying on adulterous affairs and sleeping with one conquest after another But when he suddenly finds himself truly in love the other women in his church have a thing or two to say about it including his daughter Jamie Jamie has every intention of dismantling the relationship until she discovers a mystery woman has been secretly calling her lover Louis Meanwhile James s son Darnel spirals out of control after he catches his fianc e cheating James knows he s to blame for the turmoil that surrounds him and his loved ones Now he ll have to find a way to bring peace to their lives But he can only do it by facing some hard truths about himself and changing his scandalous ways A charming tale Essence Twisty and entertaining gives fans what they want Publishers Weekly Includes an excerpt from Carl Weber s new book *Library Journal* ,2009 **The Publishers Weekly** ,2010 **So Good They Can't Ignore You** Cal Newport,2012-09-18 In this book with unique perspective professor Cal Newport debunks the long held belief that follow your passion is good advice and sets out to discover the reality of how people end up loving their careers A focus on passion over skill can be dangerous leading to anxiety and chronic job hopping Spending time with professionals who admit to deriving great satisfaction from their work Newport uncovers the strategies they use and the pitfalls they avoid in developing their compelling careers Cal reveals 4 Rules for falling in love with your job 1 Don t follow your passion 2 Be so good they can t ignore you 3 Turn down a promotion 4 Think small act big Cal Newport s manifesto is mandatory reading for anyone fretting about what to do with their life or frustrated by their current job situation So Good They Can t Ignore You provides an evidence based blueprint for creating work you love and will change the way you think about careers happiness and the crafting of a remarkable life **Ethics in Banking** Jes Villa,2015-09-22 The solution to the uninhibited lending that was commonplace before the financial crisis has been to introduce tighter regulation to ensure robustness within banks However this solution has overlooked the underlying problem of ethical failure in the industry In the wake of numerous bank collapses many survivors continue in unprincipled conduct because ethical virtues have not been instilled This book investigates the ethical basis of banking practice It explores the conflict between the interests of banks and their customers and how this conflict plays out in relation to the lending policies and fee structures of banks Where such lending policies have a significant effect on banks their customers and a range of stakeholders the author investigates the views of leading bankers on their lending practices The author then goes on to debate the events of the global financial crisis from a moral perspective and argues that ethical failure triggered the American sub prime calamities which have devastated homeowners and the global economy The book argues that American banks and regulators both operated on the erroneous supposition that the quest after extreme profits would be restrained by free market forces Where banks have a central role and importance in all commerce and hence in all societies the author concludes by revealing a set of virtues that are necessary for banks to espouse moral conduct He suggests that these virtues

can be embedded through leadership and cultural change with the aim of developing an account of the virtues appropriate to bankers and banking
