Us Guys The True And Twisted Mind Of The American Man:

US Guys Charlie LeDuff, 2008-03-25 From the New York Times bestselling author of *Detroit An American Autopsy* A fearless clear eyed companion into parts of America that rarely see print Entertainment Weekly Charlie LeDuff has made a career out of his extraordinary ability to capture the spirit of the people and places he profiles *US Guys* is his odyssey in search of the truth behind the American man from a jaded homicide detective in Detroit to a two bit jockey at a racetrack in Miami to a pair of lovers at a gay rodeo With audacity humor and no small amount of physical pain he captures a broad diversity of voices as they wrestle with an America they love but increasingly fail to understand **Sh*tshow!** Charlie LeDuff, 2019-05-21 A daring firsthand and utterly unscripted account of crisis in America from Ferguson to Flint to Cliven Bundy s ranch to Donald Trump s unstoppable campaign for President at every turn Pulitzer prize winner and bestselling author of *Detroit An American Autopsy* Charlie LeDuff was there In the Fall of 2013 long before any sane person had seriously considered the possibility of a Trump presidency Charlie LeDuff sat in the office of then Fox News CEO Roger Ailes and made a simple but prophetic claim The whole country is bankrupt and on high boil It s a shitshow out there No one in the bubbles of Washington DC New York or Los Angeles was talking about it least of all the media LeDuff wanted to go to the heart of the country to report what was really going on Ailes balked Could the hard living and straight shooting LeDuff be controlled But then perhaps on a whim he agreed And so LeDuff set out to record a TV series called *The Americans* and along the way ended up bearing witness to the ever quickening unraveling of The American Dream For three years LeDuff travelled the width and breadth of the country with his team of production irregulars ending up on the Mexican border crossing the Rio Grande on a yellow rubber kayak alongside undocumented immigrants in the middle of Ferguson as the city burned and watching the children of Flint get sick from undrinkable water Racial political social and economic tensions were escalating by the day The inexorable effects of technological change and globalization were being felt more and more acutely at the same time as wages stagnated and the price of housing education and healthcare went through the roof The American people felt defeated and abandoned by their politicians and those politicians seemed incapable of rising to the occasion The old way of life was slipping away replaced only by social media part time work and opioid addiction Sh tshow is that true tragic and distinctively American story told from the parts of the country hurting the most A soul baring irreverent and iconoclastic writer LeDuff speaks the language of everyday Americans and is unafraid of getting his hands dirty He scrambles the tired old political social and racial categories taking no sides or prisoners Old school gonzo style reporting this is both a necessary confrontation with the darkest parts of the American psyche and a desperately needed reminder of the country s best instincts The Media and the Models of Masculinity Mark Moss, 2012-07-10 Mark Moss s *The Media and the Models of Masculinity* details the impact that the mass media has upon men s sense of identity style and deportment From advertising to television shows mass consumer culture defines and identifies how men select and sort what is fashionable and acceptable

Utilizing a large mine of mediated imagery men and boys construct and define how to dress act and comport themselves By engaging critical discussions on everything from fashion to domestic space to sports and beyond readers are privy to a modern and fascinating account of the diverse and dominant perceptions of and on Western masculine culture Historical tropes and models are especially important in this construction and influence and impact contemporary variations **The Best American Essays 2011** Edwidge Danticat, Robert Atwan, 2020-12-15 The acclaimed author of *Breath Eyes Memory* presents an anthology of personal essays by Hilton Als Christopher Hitchens Zadie Smith and others In her selection process for this sterling volume Edwidge Danticat considers the inherent vulnerability of the essay form a vulnerability that seems all the more present in today's spotlighted public square As she says in her introduction when we insert our I our eye to search deeper into someone something or ourselves we are always risking a yawn or a slap indifference or disdain Here are intimate personal essays that examine a range of vital topics from cancer diagnosis to police brutality and from devastating natural disasters to the dilemmas of modern medicine All in all the brave voices behind these experiences keep the pages turning Kirkus Reviews **The Best American Essays 2011** includes entries by Hilton Als Katy Butler Toi Derricotte Christopher Hitchens Pico Iyer Charlie LeDuff Chang Rae Lee Lia Purpura Zadie Smith Reshma Memon Yaqub and others **The Best American Essays 2011** Robert Atwan, 2011 The editors have compiled a collection of the year's best essays as published in periodicals **Unbrandable: How to Succeed in the New Brand Space** Adam N.
