Latinos and American Law Carlos R. Soltero,2006-09 To achieve justice and equal protection under the law Latinos have turned to the U S court system to assert and defend their rights Some of these cases have reached the United States Supreme Court whose rulings over more than a century have both expanded and restricted the legal rights of Latinos creating a complex terrain of power relations between the U S government and the country s now largest ethnic minority To map this legal landscape Latinos and American Law examines fourteen landmark Supreme Court cases that have significantly affected Latino rights from *Botiller v Dominguez* in 1889 to *Alexander v Sandoval* in 2001 Carlos Soltero organizes his study

chronologically looking at one or more decisions handed down by the Fuller Court 1888 1910 the Taft Court 1921 1930 the Warren Court 1953 1969 the Burger Court 1969 1986 and the Rehnquist Court 1986 2005 For each case he opens with historical and legal background on the issues involved and then thoroughly discusses the opinions rendered by the justices He also offers an analysis of each decision's significance as well as subsequent developments that have affected its impact Through these case studies Soltero demonstrates that in dealing with Latinos over issues such as education the administration of criminal justice voting rights employment and immigration the Supreme Court has more often mirrored rather than led the attitudes and politics of the larger U S society
