Permission to Doubt Ann C. Sullivan, 2014-10-30 Ann C Sullivan has challenged and encouraged thousands of women as an international speaker In her first book Permission to Doubt she offers a candid look at when her faith and reason collided Through a thirteen year struggle with an undiagnosed panic disorder Ann learned several valuable lessons Never shy away from the big questions Always follow the evidence to its logical conclusion And genuine truth doesn't buckle under the bright lights of interrogation Ann uses these lessons to help readers recognize doubt and also shares unique step by step solutions in which faith can be reinforced in the midst of our struggle Using personal examples and an intensely practical approach Permission to Doubt informs challenges and encourages those who'd like to take their faith a little deeper It's an honest look at what faith is where it comes from how it's threatened and how it can be strengthened **Unquenchable** Carol
