Upda Exam Qatar

Thomas Adebayo

Upda Exam Qatar:

Navigating Opportunities: A Guide to Job Searching and Foreign Workers Regulations in The Middle East Thomas Adebayo, There are thousands of jobs in the Middle East region due to the rapid development there and some of these jobs are open to foreigners. Foreigners in the Middle East outnumber the indigenous peoples of these countries. Unfortunately, there are fraudulent employment agents. There are also nationalization efforts by various governments. This book explains how to secure jobs and retain the same in the Middle East region. It explains the various government nationalizations such as Bahrainization, Emiratization, Kuwaitization, Saudization, Omanization, and Qatarisation. It also specifies the Middle East experience requirement and professional licensing requirements. With this book, foreign investors will know the nationalization requirements, and foreign workers will know areas that are restricted to employment.
