Murmurings of the Heart P. A. Ramour, 2012-11-20 This collection of poetry was inspired by poet P A Ramour's Angel of Love and it is with her in mind that he expresses his innermost thoughts and feelings of love The poems in *Murmurings of the Heart* One Angelic Kiss were inspired in the years after the poet P A Ramour discovered the relaxation and enjoyment of simply expressing his thoughts and feelings in verse With no purpose or goal in mind beyond than the introspection he writes of his early family life with humor and divulges some of his meanderings in nostalgia Ramour's life changed considerably with the passing of his wife and a failed second marriage in response to these changes his poetry became a release for his overflowing emotions The newfound freedom to follow his love of music ultimately led to the meeting of his Angel of Love Suddenly his need to write about his new love accelerated to an intense desire to pour out his heart in these poems They became good friends and before long her beauty and talent inspired Ramour to write of his love for her Overwhelmed by her love of life he opens his heart to her through *Murmurings of the Heart* His verses reveal the true love and beauty of a relationship seemingly arranged in heaven for their golden years *The Challenges of Pastoral Leadership* Ronald

Rojas, John Alvarez, 2012-08-07 Its too easy to learn and apply business leadership models to the pastoral sector But is it the best alternative to form Church leaders What are we missing when we use business models in ministry This book is about creating more sensitivity on how some of these secularly learned models can inadvertently limit pastoral effectiveness and suggests an hourglass approach to leadership capable of fostering a set of principles more harmonious with ministry intent In many ways this book is a guide for cultivating and developing a more authentic sense of leadership in ministry one that emerges from within the scholarly sources of the leadership field but at the same time is rooted in the principle leadership is a spiritual practice This book is a must have for clergy religious women and men and anyone engaged with forming ministry
