Knowing the God of Unparalleled Goodness Zacharias Tanee Fomum, 2015-04-14 A very delicate and challenging incentive manual to heal your relationship with God Knowing the God of Unparalleled Goodness by Professor Zacharias Tanee Fomum deals with the greatness of God and the need for the pilgrim to know Him and walk in intimacy with Him In fact many people do not know God They are serving an unknown God From Abraham's life and pilgrimage with God the author clearly shows that when the believer is discouraged when he is about to fall or even to give up God in his sovereignty brings him back to Him He also shows that a successful Christian life consists of walking with God That is to say to remove the obstacle that has interposed itself between God and oneself in order to abide in intimacy with God This book therefore is an introduction to walking with God It is a very delicate book that weighs in favour of the need to make progress in the inner life especially in the seeking finding knowing loving and enjoying God It is therefore not only an incentive manual but also a challenge for believers at all levels You need this book to be healed in your relationship with God You will make progress in your spiritual life and you will be blessed after reading this book

The Empowered Life + Part 2 Cassandra Blizzard, 2014-06-15 Ready to change your life So empowering Loved the book The book is well written and keeps you interested It brings new approaches as well as reminds us of lessons already learned but put aside Just buy it There are very few people who escape this physical life without having the experience of feeling like giving up Life can get so hectic and out of control at times that we feel like we don't have any control at all What we believe about ourselves becomes our reality and in so many ways what we believe about ourselves forms our future I'm not speaking in airy fairy New Age terms here I am talking about the real deal Our paradigms drive us one way or the other You have to willfully choose how you want to be steered If you are the captain of your boat called life then your hands need to firmly remain on the wheel that moves the rudder You can't be the captain of your boat called life if you allow other people to form your paradigms your beliefs about Self Don't allow others to shape your

beliefs about yourself Read The Empowered Life Success coach Cassandra Blizzard offers an intensive look at how we inadvertently give away our personal power and how we can regroup and bring ourselves back into balance This book is the culmination of years of working with people and teaching clients how to trust in their Soul live a more balanced life and find fulfillment and happiness in the world Build a bridge of trust with your own Soul become self actualized and take charge of your life like never before Learn how to get rid of old baggage and break up old belief systems that hold you back and be bold about moving forward in positive ways You can have the good life a balanced life and an emotionally healthy life Cassandra shows readers how to appreciate respect and value Self how to lay down positive boundary lines in relationships and how to transform your life overall Break through wrong thinking overcome obstacles restore hope and create personal success Using this book together with The Empowered Life The Workbook you can transform yourself and your life reconnect with your Soul and develop inner peace Wouldn t you like to feel better about your life Empowerment is just a choice away Sometimes we make major changes in life just by taking one small step or making one simple decision But those decisions are not always easy to make We tend to cater to other people s whim or we are afraid of hurting someone s feelings Afraid to take a risk to step out of that dead end job and aim for something higher Afraid to make a decision to get out of a bad relationship Afraid fearful anxious Too often these are the emotions that rule our lives and make our decisions for us But it doesn t have to be that way You can empower yourself to be more in control of your life to be more centered to make more positive decisions for self and to understand how the soul works in your life to bring you to a better place always Whether in business relationship or just within yourself you can learn how to take control and be a much more balanced much happier person Relationship Self Esteem Depression Empowerment Healing Confidence Personal Power Intuition **The Quiver** ,1897 V 12 contains The Archer Christmas 1877 **Choosing a Good Life** Ali Berman,2014-09-23 Ever wonder why some people seem to be at peace despite the ups and downs daily life can bring while others are restless even in seemingly ideal circumstances In Choosing a Good Life Alyson Berman explores what it means to be at peace with ourselves our choices and the world around us in all its glorious chaos She takes us into the lives of people who despite their vastly different talents challenges and interests have achieved a deep sense of balance in and satisfaction with their lives Stories include those of Holocaust survivor Emery Jacoby who rose above anger and bitterness to reaffirm the good in himself and others along with Sungrai Sohn a violin prodigy and gifted teacher who lives in the shadow of a potentially fatal illness and many other inspiring life stories Berman then pinpoints their common approaches and qualities to reveal how they have found contentment and how we can too With Choosing a Good Life you will have the tools and guidance to identify what you truly value make use of the pain and trials of life to make you stronger and set priorities to find more time and energy for the things that bring you satisfaction Learn how to achieve something that eludes so many of us the sense of purpose that comes with deep self acceptance **Harper's Weekly** John Bonner,George William Curtis,Henry Mills Alden,Samuel Stillman
