Case Studies on Social Marketing M. Mercedes Galan-Ladero,Helena M. Alves,2019-02-20 Social marketing has become an indispensable tool for all types of organizations worldwide This book presents high quality cases on the development implementation and analysis of different social marketing campaigns that have been created by non governmental organizations public administrations and even businesses The respective cases reflect the fact that although social marketing was initially employed by public administrations and NGOs the number of campaigns developed by all type of organizations including businesses is on the rise in fact Corporate Social Marketing is now considered to be one of the main CSR initiatives at

businesses around the globe Pursuing an international approach the cases in the book explore social marketing practices from a diverse set of countries and cultures around the world *Digital Carnavalesque* Hoi-Yi Katy Kan,2020-01-21 This book challenges the framing of comedic acts as apolitical and it adopts a multimodal critical discourse approach to interrogate the performance of comedy as a form of power It proposes using Bakhtin s carnivalesque as the analytic tool to distil for readers key differences between humour as banal and humour as critical and political in today s social media Drawing from critical theory and cultural studies this book takes an interdisciplinary approach in formulating a contemporary view of power that reflects social realities not only in the digital economy but also in a world that is increasingly authoritarian With the proposition of newer theoretical lenses in this book scholars and social scientists can then find a way to shift the conversation to uncover the evolving voices of existing and newer power holders in the shared digital space and to view current social realities as a continual project in unpacking and understanding the adaptive ways of the human spirit

France Jonathan Fenby,2016-11-08 With the defeat of Napoleon Bonaparte at the Battle of Waterloo in June 1815 the next two centuries for France would be tumultuous Critically acclaimed historian and political commentator Jonathan Fenby provides an expert and riveting journey through this period as he recounts and analyzes the extraordinary sequence of events of this period from the end of the First Revolution through two others a return of Empire three catastrophic wars with Germany periods of stability and hope interspersed with years of uncertainty and high tensions As her cross channel neighbor Great Britain would equally suffer France was to undergo the wrenching loss of colonies in the post Second World War era as the new modern world we know today took shape Her attempts to become the leader of the European union was a constant struggle as was her lack of support for America in the two Gulf Wars of the past twenty years Alongside this came huge social changes and cultural landmarks but also fundamental questioning of what this nation which considers itself exceptional really stood and stands for That saga and those questions permeate the France of today now with an implacable enemy to face in the form of Islamic extremism which so bloodily announced itself this year in Paris Fenby will detail every event every struggle and every outcome across this expanse of 200 years It will prove to be the definitive guide to understanding France *The Climate Challenge* Guy Dauncey,2009-11-01 This is a terrific labor Nowhere will readers find a more exhaustive yet accessible treatment of the climate challenge The Climate Challenge is a terrific resource for anyone interested in understanding the preeminent issue of our time Guy Dauncey s skills as an educator are on full display in this masterful work Gary Gardner Senior Researcher Worldwatch Institute A lot has been written about climate change over the last few years but this is a real cracker Hugely informative hard hitting and very upbeat about the solutions Get your head around The Climate Challenge and I think you ll find there s only one answer to Guy Dauncey s own question do we believe in our ability to create a green sustainable future and that s yes Sir Jonathon Porritt past Chair of the UK Sustainable Development Commission If you are wondering what to do about climate change here is the answer The Climate Challenge is
